Would Secure Publicity Each Company's Business

Practice in Great Britain Quoted in Not Pleased With the Attitude of the Wild amd Other Changes Suggested

OTTAWA, Ont., Nov. 12. - The life Insurance managers' association was heard by the Insurance Commission this evening. They read a memorial on which they had been working during the day respecting changes which should be made in the insurance act. The first recommendation was "that legislation to secure adequate publicity of each company's business would prove more beneficial than legislation of a restrictive or an extractive company and the steel Company. Sir William is also a director of the latter concern. In connection with this rumor Sir William declined to the company and the steel Compa

policies must state the non-forfeiture

That the investment cause of the insurance act be widened and that in future companies with federal characters may invest in public debentures of Canada or any province, of any other country, of school or municipal corporations, in bonds of companies secured by mortgage to trustees upon real estate or other assets of such company; or the debentures of companies in existence for three years, of stocks of companies which have paid dividend for three years, preceding the purchase. No company to invest in its own or other life insurance company's stock. Investment to be allowed in life, endowment or other policies, in mortstock. Investment to be showed in his, endowment or other policies, in mort-gages and real estate generally, and by any securities accepted by the treasury board as deposits from in-

They asked that the act be ch so life companies may lend funds or all the bonds and stocks above men-tioned, on real estate and leaseholds.

Canadian companies would not obect to a gain and loss return to the
overnment, but this would be so obectionable to British companies
they might withdraw from Canada.

New Side of Story Regarding Sa'e Their Lands to Union Trust Co. -- New Dealing with Pritchard

(Special to the Sun.) OTTAWA, Nov. 12.-Two star witnesses were before the insurance comon today. They were Premier Roblin and Attorney General Campbell of Manitoba. They were put on to tell their side of the story regarding the sale of their lands to the Union Trust Co., George E. Foster, manager. The other side of the story was told by Mr. Pritchard, who was private secretary to Premier Roblin at the time the details were put through. Both these gentlemen repudiated a good deal of what Mr. Pritchard had said. Premier Roblin denied that he had instructed sale at \$7 an acre to Mr. Foster. He had given him no instructions to sell, but had given him permission at his able man from the state prison was he knew there had been twenty-five cents an acre commission on the sale could follow them any distance darkhad expressed some surprise that Mr. Roblin should pay Mr. Pritchard combecome of the other commiss

Mr. Roblin said the statement by Mr. Pritchard that he had resigned volunin the department of the injured, begged to be allowed to brought back and put on trial, take them to their homes, but the police were inexorable and the injured were taken to the hospitals.
