Wedding Bells.

ROQUE--GIFFORD.

One of Lynn's brightest and most popular young attorneys, Arthur Bogue was united in wedlock at three o'clock this afternoon to Miss Isabelle May Gifford, daughter of Mr. and Mrs. John Gifford, of Lewiston, Maine. The ceremony was private and at the church of St. John the Evangelist, at Winthrop, Rev. Fr. Griffin being the officiating clergyman.

The bride was attended by her friend, Miss Mollie Mulhern of Boston, and Mr. Bogue had as best man Peter P. Porter of Boston. The bride and her attendant were attired in travelling costume and only the immediate families of the bride and groom were present.

After the ceremony there was a wedding lunch and later Mr. and Mrs. Bogue departed amidst a shower of good wishes, on a bridal tour to the White Mountains, through Canada and will return by the way of Lake Winnepesaukee. They will reside at 13 Waldemar Avenue, Winthrop.

Mr. Bogue is the son of Thomas Bogue and nephew of the late James Bogue of St. George and has many friends in Charlotte county who will extend congratulations.---Lynn News.

Many Wept at Funeral of Father Dollard

Further particulars of the death of Rev. Wm. Dollard, and of his funeral have been received. Father Dollard's death, which was caused by pneumonia, complicated by neuralgia of the heart, took place at the rectory of South Street, where he was stationed. Some weeks previously he contracted a cold but continued to attend to his duties until the Feast of the Assumption, when, after celebrating mass, he complained of feeling ill. Still no serious apprehensions were entertained and his friends saw him as usual until the evening before his death. All Monday night he suffered from difficulty in breathing. At 3 o'clock the following morning, feeling better, he insisted upon the stairs, retiring. An hour later the pastor, Father Gorman, coming into the room, perceived a change for the worse and quickly administered the last sacraments. Father Dollard passed peacefully away a few minutes later.

The body lay in the rectory watched by members of the congregation until Thursday afternoon when it was transferred to the Church of St. Teresa, which had been heavily draped with black. The body slightly raised in the coffin, robed in vestments and holding the chalice erect in both hands lay in state all Thursday night when members of the societies and the congregation watched beside it. The office for the soul, followed by high mass, began at 9 o'clock on Friday morning. Besides the brother, Rev. James Dollard, who celebrated mass, there were twenty-three priests present in the sanctuary. Father Murphy of Springfield, in delivering the eulogical sermon, paid a fervent tribute to a genius and virtues of the dead. "His genius and virtues," he said, "were not, but whose heart was greater."

After Father Gorman and the attending clergy had given the last blessing, the congregation were invited to say farewell, many of them sobbing aloud as they followed by Druggists everywhere as Dr. Shoop's Headache Tablets. Pain simply means congestion--undue blood pressure at the point where pain exists. Dr. Shoop's Headache Tablets quickly equalize this unnatural blood pressure, and pain immediately departs. MORE TROUBLE ON SHORE LINE

About one hundred Italians who are working on a gravel train at Lepreau went out on strike last evening. Yesterday was pay day on the N. B. Southern and when the Italians did not receive their money they threw down their shovels and demanded that they should be brought to St. John. After dressing in a boarding car there was a free fight in which fifty took part. One Italian is reported to have been badly cut with a knife.

After order had been restored the party boarded a special train that had been sent down and came to St. John. There was considerable excitement at the N. B. Southern station this morning when a band of Italians about two hundred strong took charge of the station and demanded their money from Percy Wetmore, who is in charge of the station. Mr. Wetmore told them they would be paid at the C. P. R. station at Sand Point. This satisfied the gang and they started on parade up Rodney wharf headed by Trackmaster Thos. Stears. At the C. P. R. station the men received what was coming to them. Trackmaster Stears had a special train waiting on the main line to convey them back to work. About 70 boarded the train and left for Lepreau while others who did not care to return said they would secure employment in the city. A lively scrap took place back of the C. P. R. shed at Sand Point between two of the Italians who remained. The fight is said to have started over a dress suit case. One of the Italians who engaged in the battle had his eye badly cut.
