That the Boundaries ef School Districts established under the authority of "the Common Schools Act. 1871," will shortly be posted in each School District of the Province.

3 That the first Annual School Meeting will be convened in the School Districts of the Province on January 11th. 1872, at 10 o'clock, A. M., by notices issued by the County Inspectors, and may be continued till 4 o'clock, P. M.

4. That the duties and powers of the Annual School Meeting, as prescribed by "the Common Schools Act, 1871," are, in brief, as follows:

(1). The election from among the qualified veters present(i.e. persons resident in the District and rated in the Parish Assessment List in respect of real and personal property or income, and persons non-resident in the District of a Chairman to preside over the meeting. (5). To determine what amount shall be raised by the District during the ensuing year in supplement of the moneys provided towards Teachers, salaries by the Province and County, and for the purchase, rent or improvement of School grounds and buildings, the purchase, erection, repair, furnishing and care of school-houses and out-buildings, the purchase of fuel, maps or apparatus and prescribed textbooks for the pupils of indigent parents, the payment of interest on money to be borrowed by the District, or any three expenses required in providing an efficient school.

exceeding one third more per pupil than the Trustees of other. Districts within the County.

One-halt of the County fund is to be apportioned and paid semi annually.

No public moneys will be received by Districts which fail to establish Schools under the Act. It will be observed that the amount of Provincial and County moneys to be expended in any District in aid of Schools will depend almost exclusively upon local exertion, or the direct efforts made by the people of the several Districts in maintaining their own Schools. The sum to be received by the Teacher from the Province is definite, but the exact amount that will be received by the Trustees from the County Fund on account of the average attendance of pupils, cannot be known at the time of the School meeting. The meeting should, therefore, be careful in voting its estimates to authorize a sum amply sufficient to enable the Trustees to meet the liabilities of the School year. Any balance remaining in the hands of the Trustees, is, of course, t. be carried to the received in the next School year, while any deficit arising from an authorized expenditure may be carried forward and provided for in the estimates of the following year.

The first disburgement of the County Fund will be apportioned on the School attendance made between January 15th and April 30th, inclusive.
