

In the Library a large addition of valuable books has been made, Catalogues printed and the whole system remodelled.

The usual periodicals for Teachers and Scholars continue to be distributed.

The Teachers' Bible Class, conducted by the Rev. Professor Campbell, still continues in successful operation, and we strongly urge all our teachers to take advantage of so excellent an opportunity of studying the Sabbath School lesson.

A Union Pic-Nic, composed of Erskine Church Schools and our own, was held in the month of June last. The steamer Filgate was chartered for the occasion and conveyed the party to Beauharnois, where a pleasant ramble was enjoyed. A sail home by way of the Lachine Rapids completed one of the most enjoyable days ever spent by our School, everything having passed off in a highly satisfactory manner.

At our annual meeting the following office-bearers were elected:—
