#### DISCIPLINE.

selves and admitted by their teach- or in spirit. ing and governing bodies. Whether such a line of action makes for the welfare of generations yet to come is not so clear. Too much value need France and the Church was formally Pontifi's. Its enemies are the Jaconot be set upon boyish pranks or coldeclared void by a law passed in bins and philosophers of Voltaire's lege conduct. Long after editors the French Senate last week. Intro-school-that race of men who think have ceased their criticisms the shout duced into the Chamber of Deputies that the revolution is not yet comof sophomore exulting over freshman will be heard on the campus or within the corridor. The students of different faculties and colleges will have guments of religion, patriotism, free- plish what the nineteenth century their friends and foes-as long as boys are boys. And boys have been boys ever since the first college opened. When the responsibilities of life are placed upon these youths they quickly and generously obey the call to attention, and assume a dignity strangely in contrast with what they were in their first or second year. This shows what the actors think of the past they used to take in the improvised dramas, comedies or tragedies it mattered little which, of their undergraduate course. Where the prank does not injure the person or character of the victim it may be easily forgotten or repaid in the same coin. But when, as happened this fall at Kenyon College, Ohio, a poor teachers. They turned the religious student was chloroformed and led somewhere along a railroad track, and hospitals. Poor Sisters who had wards that words of commendation where he was run over by an extra train-the condemnation cannot be severe enough. The President con-to seek an asylum where they could. tradicted the first story which had gone the round of the press, viz., that the poor young man had been tied to the poor young man had been tied to fort and city had to be stormed. The have been received, but that our the railway track. His companions Church, though complaining and prowere initiating him in one of the college fraternities. No moralist can entirely exculpate them—and no exception of the college fraternities against the action, could not so far plead that the letter of the find the article in which the plan is entirely exculpate them—and no ex- Concordat had been formally violated. referred to, quoted and commented up- tion Hall to discuss the Temperance
