

An Act to authorize the formation of Parish Mutual Fire Assurance Associations in Lower Canada.

WHEREAS it would be highly advantageous and desirable that the Parishes of Lower Canada should be empowered to form a Mutual Assurance Association, for the purpose of affording mutual assistance to each other in case of the destruction by fire of houses and buildings erected in the country parts only, and without the limits of the Towns and Villages forming parishes, and that a legal existence should be secured to the said Association; Therefore Her Majesty, &c. enacts as follows;
