

OPPORTUNITIES

The vigorous development of the Canadian Northern Railway—now the second largest railway system in Canada—has thrown open immense new fields of activity to the business man and agriculturist. New enterprises have been made practicable in the six leading provinces, Ontario, Quebec, Nova Scotia, Manitoba, Alberta and Saskatchewan. Hundreds of new towns have been established—all prosperous and progressive communities—where opportunities wait for the enterprising. The story of this new birth of Canada as a first class commercial power in the world generally, and especially in North America, is well set forth in the interesting publication—
