Ottawa, 23rd May, 1894.

Dear Mr. Wood,

I have your letter of the 21st instant enclosing a petition from the Brockville and New York Bridge Company asking for permission to use the Islands in the St. Lawrence River referred to therein for the purpose of erecting piers thereon and for storing supplies etc. I am now giving this matter my attention and will write you again in relation thereto on an early day.

Believe me,

Yours faithfully,
