

- This note is only meant  
as my heartiest congrat-  
ulations and wishes -

You may one day  
receive a call from  
a young man a Mr  
de la Cour (Engineer)  
who has asked me for  
a card of introduction  
to you - I gave it him

and life 15-06.

My dear Mr King!

I was exceedingly pleased  
to receive the paper stating  
your having been made  
honorary member of the  
an honor I am sure  
deserves as showing that  
your sovereign has eyes open  
for your splendid work.
