Sir,

I have to acknowledge the receipt of your letter of the 1st ultimo with further reference to the claim of Sigei King or Slem for improvements made upon the South half of Sigei Range 2, M.R. 100. And in reply I have to inform you that Elizabeth King or Slem is entitled under the decision of the Deputy Minister of Justice of the 17th April 1892 to compensation for the improvements on a portion of the land.

Yours faithfully
