Dear Sir:-

We have on hand to-day
a matter on Treaty payment
to hand.

Well as you know yourself there
are a few young ones in this Reserve
that do not draw Treaty money and
their parents at present draw
Treaty money and their Grandparents
have done so also ever since the
Robinson Treaty was formed.

We would like to know if these
children can draw Treaty and as
other children are drawing Treaty
why should not they also.
