Sir,

Referring to your letter of the 2nd instant, with enclosure I beg to say that the Department approves of help being afforded in the manner suggested to the destitute Indians mentioned by the Revd J. Semmens from the 1st December next to the 1st May 1905. You may therefore make arrangements to have them supplied with provision to the value of \$1.00 per week during that time, and the vouchers for the articles purchased forwarded to the Department from time to time for payment.

Your obedient servant.

Tom Linn

Secretary.

Hon. N. Laird,

Indian Commissioner,

Winnipeg, Man.
