Petition under Section 574 KR(Can)
A.23406 Pte Robert Charles JONES
Essex Scottish Regiment attached 11 CBR Bn

Sir:

1. I desire to make a petition against the findings and sentence of the Court at my trial by FCGM on 12 Feb 45, which although not yet promulgated obviously indicate that a sentence has been registered against me.
2. Since I pleaded guilty on the first charge under AA Sec 15(1) I have no quarrel therewith. However, on the second and third charges it is my sincere and honest belief that the evidence produced by the prosecution did not establish a prima facie case against me and that accordingly these charges should have been dismissed.
3. I therefore respectfully ask senior authority to review my case with a view towards setting aside the second and third charges brought against me under AA Secs 40 and 41.
4. All of which is respectfully submitted, Sir.

Robert Charles Jones
