My the land

The last time I saw the brownish thing
was in the sand above my trunk. I saw
them three several times during my first at Mountain
House. My room did not lock. ~~I took~~ ^{Just}

On 5 June late after I missed the brownish
I called the owner & asked him whether he
had seen my brownish. He answered "No".

~~I do not~~ ^{Just} Before the owner became my
servant I had two other servants, who might
have known when my brownish was. They were
both still serving at Lathbury when I left.
