It was suggested that, in addition to the usual form of contract entered into by the R.C.M. Police with provincial governments, a proviso be added in this instance which would stipulate that the Attorney General of British Columbia would consult the Federal Government before ordering the R.C.M. Police to enforce Federal laws respecting Doukhobors.

10. The Cabinet, after discussion, noted with approval the suggestion of the Minister of Justice with respect to the addition of a proviso in respect to Doukhobors in any policing agreement entered into by the R.C.M. Police and the Government of the Province of British Columbia.

N.A. Robertson,
