

Confederation Life Association.

HEAD OFFICE, TORONTO STREET.

TORONTO, Nov. 10th, 1885.

FOURTEEN YEARS' RECORD.

THE CONFEDERATION LIFE ASSOCIATION commenced business on Nov. 1st, 1871, so that the first Fourteen years were completed on Oct. 31st, 1885. The success which has attended the Association has more than fulfilled the expectations entertained at the outset, and its position to-day as one of the leading financial institutions of Canada, is most gratifying to its friends.

The following record of what has been done for the Policy-Holders is interesting and instructive :—

| | |
|---|--------------|
| Paid for Death claims, | \$467,095 00 |
| Paid to Holders of Endowment Policies, | 25,848 00 |
| Paid for Cash surrender values, | 77,118 00 |
| Paid Cash profits to Policy-Holders, | 170,452 00 |
| Loaned to Policy-Holders on their Policies, | 38,012 00 |
| Paid to Holders of Annuity Bonds, | 11,426 00 |
| Premiums returned, | 320 00 |
| Total, | \$790,271 00 |

In addition to the \$170,452 Cash profits already paid to the Policy-Holders, there will have accrued at the close of the present year (estimated) the further large sum of \$190,000 to \$200,000 which will be still further increased at the end of the current Quinquennium (31st Dec., 1886), to \$250,000, and probably more, or about Twice the amount of the Policy-Holders' share of surplus at the close of the Second Quinquennium (Dec. 31st, 1881).

Add to the above the fact that the Association holds One and a Quarter Million Dollars as a Policy-Reserve Liability, and some idea will be had of what one of Our Own Institutions has done for its Policy-Holders.

These magnificent results have been worked out in a Home Company, conducted by a Board of Directors drawn from Canada's Business men. Surely there is no good reason for the insuring public of Canada continuing to impoverish their own Country, by insuring in American Life Insurance Companies, and keeping up the constant drain upon our native capital.

BOARD OF DIRECTORS :

PRESIDENT,
