Canada's Departmental House for Mechanical Goods

Twelve Departments—Twelve offices and warehouses from Coast to Coast—100 experienced men and an enormous staff of clerks, porters, mechanics, etc. All combine to give our patrons the utmost satisfaction as expressed by

"The Canadian Fairbanks-Morse nameplate on any article is a guarantee of absolute reliability under the most stringent conditions of service."

Commercial and Financial World

Fairbanks-Morse Service

Each department—a business in its self—is in charge of competent men capable of advising our clients as to the most efficient equipment for their purpose.

Our slogan is MADE-IN-CANADA goods wherever the quality is consistent with our reputation for handling the highest grade of material. A reputation gained by the satisfaction which we have given our customers during the eighteen years since we have been doing business in Canada.
