PAY WHEN CURED

If you come to me and I tell you that I can cure you I've got confidence enough in my treatment to take all the chances. I am curing hundreds of weak men and women every day, and I know what I can cure and what I can't. If you will secure me you need not pay until cured.

Weak, Puny Men

I know that no man remains a weakling because he wants to. I am sure that you want to overcome every indication of early decay that has shown itself on you. I don't think the man lives who would not like to feel as big and strong as Sandow, and I know that if you have a reasonable

foundation to build upon I can make you a bigger man than you ever hoped to be. I want you to know that; you can't believe it, and I want you to have my book in which I describe how I learned that strength was only electricity, and how I learned to restore it; also I want to tell you the names of some men who will tell you that when they came to me they were physical wrecks, and are now among the finest specimens of physical manhood.

The Treatment is Even More Than is Claimed For It.

Dr. McLaughlin,
Dear Sir: I am glad to tell you, after giving your Belt a thorough trial, that it has proven to be all you said it would, and even more. I am very much better in every way, and feel sure I shall in time be completely cured. Thankfully yours, Mrs. Emma Patterson, Picton, Ont., December 12, 1903.

FREE BOOK. I want you to read my book and learn the truth about my arguments. If you are not as vigorous as you would like to be, if you have rheumatic pains, weak kidneys, loss of vitality, prostatic troubles, nervous spells, varicose or any ailment of that kind that weakens you, it would assure you future happiness if you would look into this method of mine. Don't delay it; your best days are slipping by. If you want this book I send it closely sealed free. Call for free consultation.
