Reaches Engineering Contractors all over Canada.

This week's issue of the "Canadian Engineer" contains advertisements calling for tenders for municipal work of all kinds from TORONTO, ONT., VANCOUVER, B.C., BARRIE, ONT., MOOSE JAW, SASK., BERLIN, ONT., NEW LISKEARD, ONT., BRANTFORD, ONT., MAPLE CREEK, SASK., SASKATOON, SASK. Municipal officials everywhere are finding that it pays to place this kind of advertising in a paper like the Canadian Engineer, as it brings the announcements before the largest possible number of firms who are likely to tender on public work.
