### aty Adjutant General's office is to be moved to city - Globe.

esterday, the man Revel, charged with the der of his wire, whose body was discovered ed in his carden, through the information of of his children, w. + trud, and found guilty, recommended to marcy, there being reason to eve that the latal accident was committed in equence of gross provocation-the unfortunate aan being intoxicate ! at the time .- Toronto riot. 0 11 01

composit.-We learn that a man named Gos or Gorsage was burnt to death a few days since he village of Sydenham, under the following umstances. He had been drinking in company h another man, when both being thoroughly inleated, they were got to bed by the people of house. The deceased appears to have had ie lu ifer matches in his poshet, which ignited set the bed clothes on fire, and when the smoke i discovered, the wretched man was so much nt as only to live about an hour. - 15.

A RUINED COUNTRY. - Defore the navigation ses we wish that some of the Montreal annerslists would take a run up to Toronto, and wits the rapidity with which crops of houses are re springing up, in room of those destroyed by late calumitous tire. The elegance and subntiality of these structures formish strong profe t prosperity and Canada West have decidedly ted company'- Streetsville Review.

FATAL ACCIDENT .- OUT neighbour, Mr. Henry le of the town-line, lett his house on Monday for kville with a load of wheat. On the evening of at day he was discovered lying on the road, not from home, quite dead, with his team standing iefly beinte him. The deceased had the reinin + hand, and from his position, it is conjectured at he had fallen out of the wargon, and been killby one of the wheels passing over his neek .-14.

LARLY CLOSING -We have much pleasure in directions that eight of the principal Merchants in wa have couch and to close their stores at men eleck in the evening, from the 15th October, 1849 the 15th April, 1850 -Brockville Recorder. A CIRCULAR has been addressed by the Adja-

nt General of Militia in Canada to all the tonanding onlicers of the various militia corps in ontroal, desiring that they will ascertain if any their officers signed the annexation addres; nd if so, whether it was of their own free will ad accord. With those holding her Majesty's mamission as justice of the peace, the Provincial coretary has done likewise .- But they do not stop eve. The government announce that they will eprive all those who have signed the address, no ratter how high their station, of all offices in the ift of the Crown.

#### PRINCE EDWARD ISLAND.

Try M Fring .- A number of the friends of se persities who have formed themselves into an as ciation for the purpose of proceeding to Calitor is, on a commercial enterprise, having felt a te are to give them, before their departure, some meral mark of their regard and esteem, invited them with their wives to a Tea meeting on Wednesdov evening last, in the new and spacious Sundry School, attached to the Wesleyan Chapel. Upwards of 200 persons sat down to a sumptuous repast, and after thanksgiving had been sang. His Honor the Speaker of the House of Assembly, was illed to the chair, who stated genreally the object of the Meeting. A number of excellent speechs were then delivered by different gentleman, in which the principles and proceedings of the Association were fully direussed, and much general and useful information was imparted, to which the valic before, were strangers. The interest of the meeting was well sustained, until about teal they could not obtion that slightest informa-belock, when the Speaker having left the chain, to m of the Arche expedition. This throws a

Mr. Beer, sen, was called thereto, and the thank. of the meeting were adopted for the manner in which the Speaker had conducted the proceedings, .o which Mr. Pope made a mitable acknowledgnent.

. The Meeting was then closed with singing and praves - Advertiser of the 3rd Inst.
