STOP AND THINK before you buy all the extensively advertised nostrums of the day which have made no G. Williams, President Montreal Confergenuine cures, and have nothing to commend them to the public, but false praise from the vendors, who instead of manufacturing an article of worth, which would cost money, give to agents immense profits to ensure their sale, and the sick who have been in-

duced to try them, only find out when too late that they are really no better, and often worse than before using them, then in the meantime the proprietors have CAREFULLY

lail away a fortune, and in a short time the very name ceases to be seen or heard. Gates' Life of Man Bitters may be relied on as a medicine of great merit, and has made some of the most remarkable cures ever known, and has never been introduced into any locality where it has not given evidence of great value to the suffering sick. Itundreds of cures have been made in the provces with this medicine in connection with the Invigorating Syrup, and hundreds of certificates from good citizens, and the dergy, many of which are under oath, can not fail to convince the most skeptical of

their great curative properties. DON'T BE DECEIVED use the medicines that has been tested for over forty years, and will certainly cure you. So positive are we of their power to cure, that we offer's reward of \$100, for a case they will not cure or help, and \$1000 for a talse statement made by us of any certifica of cure this medicine has not accomplished.
