OF NEW BOOKS

**GEORGE H. DORAN COMPANY Publishers NEW YORK****THREE GREAT WAR BOOKS BY CANADIANS**

**WINGED WARFARE.** By Major W. A. Bishop, V.C., D.S.O., M.C.,  
**The Book of Canada's Great Flying Fighter.** Illustrated. \$1.50.

His own account of his Forty-seven Victories. A most thrilling story of a meteoric career. A history of supermen who are lovably human, of warriors whose experience holds but one "terrible moment", the moment of investiture. A book which leaves the reader breathless after the swerve and dip of battle.

**THE ESCAPE OF A PRINCESS PAT.** By George Pearson. Illustrated. 12mo. Net, \$1.40.

A tale of capture, imprisonment and final escape to Holland, at the third attempt, of a Canadian soldier. The writer tells of insults that he himself suffered and of things too shocking for exaggeration. He gives recipes of prison camp fare and explains how mail comes through—or doesn't come through.

**CAPTURED.** By Lieut. J. Harvey Douglas.

**Sixteen months a Prisoner of War.** Illustrated from Photographs by the Author.  
12mo. Net, \$1.25.

No word came through from this captured soldier for months. The life of the trenches we now well know. Here is a true, vivid and valuable account of what our "missing" soldiers face.

He describes, in no flattering way, the bill of fare in German prison camps, pictures of prisoners booed and hissed by the people, tells the things a prisoner needs and how to send them, gives the experiences of prisoners, amusing and otherwise, and an account of the morale of the German people.
