Recommend

Robinson's Patent Barley

as the most reliable Infants' Food.

All Grocers in Canada sell

ROBINSON'S Patent BARLEY.

It is 104 Years . .

since Great Britain captured Malta, and its reputation as a strongly fortified island is world-wide. "**Malta**" Biscuit is not two years in existence, but its reputation as the ideal biscuit for afternoon teas is Dominion-wide. Its flavor is deliciously subtle and is just the thing the grocer can confidently recommend to his customers.
