

Supplies and Machinery

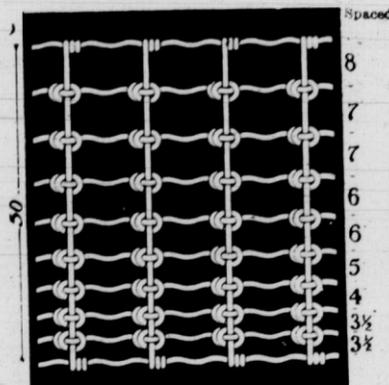

You Cannot Get Better Than G.G.G. Values

Get What You Need Direct From Factory To Farm Through The
PIONEER FARMERS' COMPANY.

Your cattle or your pigs will be a nuisance during seeding if you have not a good fence. They will do more damage later on as the crops grow and ripen. Insure your crops from stock damage by buying **G.G.G. Woven Wire Fencing** and putting it on **G.G.G. Posts**.

HORSE AND CATTLE FENCE. One of the most popular horse and cattle fences sold. Similar to the standard railroad fence.

GENERAL STOCK FENCE. The very best all round stock fence on the market. Nothing better for barnyards or small enclosures. Will turn any kind of stock.

Order your fencing in car lots and save on the freight bill. You can have stock fencing four to ten wires, poultry fencing twelve wires, or the old-fashioned barb wire. **G.G.G. Fencing** is made from full-gauge, extra heavily galvanized hard steel wire and carries our unconditional guarantee of quality.

G.G.G. BLUE BELL BINDER TWINE

If you don't know **G.G.G. Blue Bell Binder Twine**, write for our circular: "What Grain Growers think of Blue Bell Twine." Here are a couple of sample testimonials:

"Blue Bell Twine was better than we have used for some years. It gave complete satisfaction, and the saving was about 3 cents a pound on retail prices."

"Blue Bell Twine seemed to go further than any 550 ft. twine we ever used and was strong and well spun. It gave general satisfaction and we saved about 2½ cents a pound."

Scores of others expressed their satisfaction in unqualified terms. Not only that, but they have placed their orders for 1915. Grain Growers of your district should get together and place a carload order now. Orders are accepted now for any quantity, as long as the supply lasts, and subject to price being satisfactory when quoted. Those who order now will get the very lowest price at which Blue Bell will be sold this year.

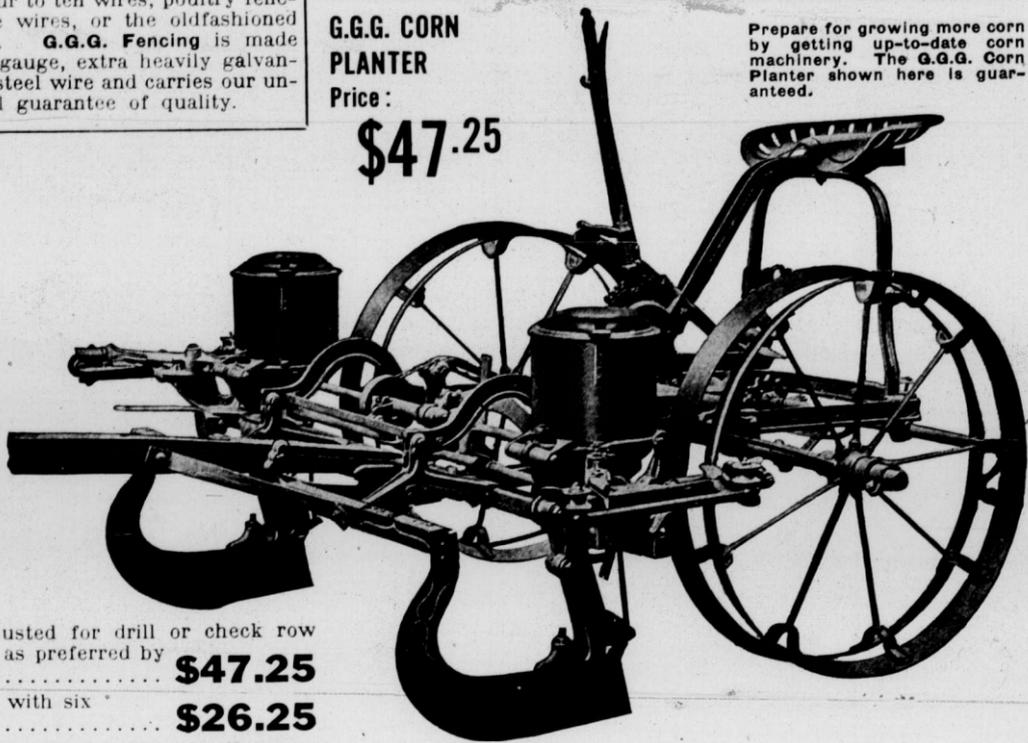

G.G.G. CORN PLANTER

Price:

\$47.25

Prepare for growing more corn by getting up-to-date corn machinery. The **G.G.G. Corn Planter** shown here is guaranteed.

POTATO AND CORN MACHINERY

Have you forgotten the fancy prices paid for potatoes last fall? The man who equips himself for potato growing and goes about it right seldom is disappointed. The **G.G.G. Potato Planter** is easily handled by one man and two horses. Steel wheels with concave tire; steel hopper of 2½ bushels capacity. "Pickers" in full view. Easily adjustable for planting 10 to 18 inches or more apart.

Price **\$60.90**

G.G.G. Potato Sprayer **\$63.00**

G.G.G. Potato Digger **\$105.00**

Ask any man who has grown fodder corn what he thinks about it for Western Canada. Corn, grown on properly prepared land, leaves the field in ideal shape for wheat—just as good as summerfallow, if cultivated regularly during the summer. The **G.G.G. Corn Planter** is easily adjusted for drill or check row planting. It is fitted either with discs or runners, as preferred by the purchaser for his soil. Price **\$47.25**

The **G.G.G. Automatic Horse-Lift Corn Cultivator**, with six scufflers on adjustable shanks. Price **\$26.25**

Equally attractive values on a full line of implements: Seed Drills, Disc Harrows, Drag Harrows, Cultivators, Plows, Packers, Manure Spreaders, Wagons, Buggies, Hay Rakes, Mowers, Scales, Pumps, Washing Machines, Fanning Mills, Grain Picklers, Engines, Etc.

THE GRAIN GROWERS' SPECIAL LIGHT TRACTOR, Guaranteed to do the work of eight horses **\$892.50**
The G.G.G. Three-Bottom Engine Gang **\$147.00**
Both Together, an ideal one-man outfit **\$1025.00**
