I wish to give notice that I will not allow berry-picking on my property, Lot 25, Concession 9. Any one found trespassing will be prosecuted. Matthew Benninger.

Mrs. A. Scheffer has this week moved into her residence on Church Street. Mr. Coates, who has been occupying the house for the past year has moved into the house formerly occupied by Rev. J. Ferguson.

Bruce Old Boys Excursion train passing through here last Friday with seven coaches attracted quite a bit of attention, but very few of Mildmay's Old Boys took advantage of this excursion. Either the ex-Mildmay boys have so much money that travelling on an excursion train looks too cheap for them, or they hadn't enough money to buy an excursion ticket.

According to a statement in the Daily Mail and Empire of Thursday July 10th, there are four constituencies wherein bye-elections are pending, namely, South Bruce, East Middlesex, South Lanark and Chateauguay. The issue of the writs is not expected until autumn. Only in South Bruce are the Candidates in the field. South Bruce, with 103 of a Conservative majority, and Chateauguay with 40 liberal make a good fighting ground, while South Lanark and Middlesex are reputed to be safely conservative.

Our Post Office Department has received notice warning them against allowing notices other than post office notices from being exhibited in the lobby of their office. This, in future, will prevent the walls being covered with all kinds of notices, bills, and various advertisements. This order is a mandate from the Government, and should bills be torn down at once and destroyed by the postmaster, the public will have no reason to blame him, as he is only doing his duty, following advices received from Headquarters.

Miss Elsie Eggart, of Toronto, was the guest of Mr. and Mrs. Henry Privat this week.

Miss Maud Kramer has been spending the past two weeks at Berlin and Toronto.

Prize lists for the Carrick Fall Show to be held at Mildmay on Sept. 29 and 30th, will be issued shortly. The list, as revised this year, will be the most attractive ever presented to the public.

An effort is being made by the newspapers and wholesale houses, to have the express rate on papers lowered and in this way help to cheapen the cost of production. As it is now, papers all over the country are forced to raise both subscription and advertising rates.

Dr. Doering is on a driving tour through Waterloo County and will be away about ten days. Doc is at present in Wilmot Township, and says that the crops in Carrick are far in advance of other townships he has passed through.

Miss Margaret Mahoney, Mildmay Separate School, took the highest marks in this town in her Entrance exams, with Stuart Thompson, S. S. No. 7, Carrick, a close second. Miss Mahoney took 824 out of a possible 850, with Stuart Thompson ranging closely behind with 501.

A large number from here attended the Garden Party, held at Wm. McKee's property near Belmore on Tuesday. Refreshments were served and a pleasant outing enjoyed. The music was particularly pleasing, being furnished by Wingham Citizens Band and Prof. James Johnston of Hamilton. The party was held under the auspices of Belmore Presbyterian Church.

North Grey elected C. S. Cameron, on Tuesday to represent that riding by a Conservative majority of 278. The election is all the more surprising in that Hon. A. G. MacKay held the riding for years and at the last election in 1911, had a majority of 741. The victory is no doubt due to the fact that Owen Sound went very strongly for Cameron, while the defeated member had the majority in the rural sections.

Kicked by Horse.
An accident of a painful and serious nature befell Mr. John Renwick, son of Mr. Walter Renwick of Concession 1, Carrick on Sunday afternoon last. While working around a young colt, he received a kick in the face over the right eye, rendering him unconscious, being found in this condition some time later by his brother, and up to a late hour Monday night he had remained in this state.

Drs. Clapp and Wilson of Mildmay were immediately called in and did everything possible for the young man and at latest reports he is given good hopes for recovery. The report spread around town early Tuesday morning that he had lost his eye, but this report was later found to be incorrect. Mr. Renwick is a young man about twenty-one years of age and has been living on a farm on the first Concession of Carrick, near Belmore. Owing to the fact that he had not recovered consciousness up to the time of writing, and that nobody witnessed the unfortunate mishap, we cannot learn just how the accident occurred. The doctors are hopeful, however, and state that, except in the event of concussion of the brain setting in there is every possible chance for his recovery.

Misplaced Commas.
A comma is a very little thing, but if misplaced, they very much alter the sense, and sometimes spoil it altogether, as the following sentence will show: "Lord Palmerston then entered upon his head, a white hat upon his feet, large, but well polished boots upon his brow, a dark cloud in his hand, his faithful walking stick in his eye, a dark menacing glare saying nothing." Some of our school pupils might re-write this sentence, properly placing the commas.

"Cargill Limited."
In another column will be found a reference to the forming of a Company to take over the several interests of Mr. W. D. Cargill at Carrick. It may seem a curious coincidence that this Company should be launched at and during the time Mr. Cargill is before the electors as a candidate for Parliamentary honors but the fact is that the organization of this company was begun last February, long before there was any thought of a possible election in South Bruce. Mr. Cargill has for some years felt the necessity of consolidating his various enterprises in one Company.

Critical Operation.
Drs. Sichelair and McCue performed a very critical operation on Tuesday morning on Elmer, the little 4-year-old son of Mr. and Mrs. J. H. Scheffer of Formosa. The little fellow had for some time been suffering with what was thought to be an abscess on the cheek immediately beneath the right eye, but in the course of the operation it was found to be a tooth which had been pushed out of place and had grown upwards towards the eye. The operation was successful, and from latest reports he is said to be doing well.

Civic Holiday Celebration.
The Southampton Lodge of I.O.O.F. are putting on a celebration there the last of this month, Thursday the 31st, being civic holiday in that town. Arrangements will in all likelihood be made to have the same date observed as the Annual Holiday here, to give our citizens the opportunity of spending that day at the beach, as there will no doubt be cheap fares. An offer has been received by the local football club to play against the Walkerton eleven, the winning team to receive expenses and twelve dollars. Mildmay will have its full strength league team, and the battle between these old rivals is sure to be a warm one. Mildmay having defeated Walkerton 4 to 1 on their own grounds are confident of doing the trick again and are anxious to rake in the shekels offered as an inducement to make this the hardest fought game of the season.

A Surprise.

A large number of Miss Sadie Herringer's young friends assembled at her home on Absalom street last Monday evening and spent a very enjoyable time in card-playing, singing and dancing. Although the event came as a complete surprise, the hostess of the evening served an excellent lunch, which was done ample justice to, of course. Among the guests were included Miss Lottie Kirby and her brother from Belmore. Miss Herringer, who has been making her home in Toronto for some time past, returns to that place on Friday next, after having spent two weeks with her parents here. The evening's enjoyment was concluded by the song "Auld Lang Syne."

Replacing Mill-Wheel.

The E. Witter Co., is this week blasting up the flume at the Aetna Mills, with the intention of replacing the old waterwheel with a more up-to-date one, which is to give greater power in future for the manufacture of their popular flour. The new wheel and total costs of installation will run into a fancy figure, the estimated cost aggregating something like \$2,000. The blasting was heard all over the town, and caused some wonderment until the cause was discovered. One unusually heavy blast shattered fourteen panes of glass in the Aetna Mills, and we hear there has been one or two narrow escapes from being struck with flying rock, however, through no fault of the mill owners. The project of replacing the wheel will be some contract, as all the old cement has to be blasted and removed to make way for the new. When the machinery is installed it will give this mill a better service than formerly and will help materially in turning out and out the work at a faster rate, will thus make this mill more up-to-date and efficient.

By Special Offer—The Toronto World and the Gazette for one year for \$3.35, new or renewal.
Lost.—Between Neustadt and the 10th concession, a gentleman's raincoat. Suitable reward. Apply to Jos. Schickler.

THE FINANCING OF "CARGILL LIMITED"

THE UNUSUAL HAS HAPPENED

The People of Bruce Are to Have the Opportunity to Participate in One of its Largest Industries.

LARGE EXTENSIONS PLANNED

We have just received a copy of the Prospectus and letter issued by "Cargill Limited", which shows that the people of Bruce are to have the opportunity to participate in one of its largest enterprises, upon a basis seldom if ever before offered to the public by a large corporation. We understand that the Company is mailing out five thousand of these to the people of Bruce; if you have not received a copy, we advise our subscribers to write for one.

The name "Cargill" stands for progress in the affairs of the county. The enterprises started by the late Henry Cargill Esq., and continued by his son W. D. Cargill Esq. cannot be allowed to stand still. The business has outgrown the capacity of any one man to handle it and the increased demand for manufactured goods has compelled Mr. Cargill at this time to take some definite action regarding the future. He wants to see the business continued upon a proper basis, and he believes in the principle that the people of Bruce should benefit from and control their own industries, instead of investing their money in outside enterprises of which they know little.

Mr. John M. Eadie, who is taking charge as Managing Director, is an old Bruce boy, the son of the Reverend John Eadie, late of Pinkerton.

Mr. Eadie has resided in New York City for the last 25 years and is identified with several corporations on the other side.

His brings to "Cargill Limited" the experience needed in large corporation affairs, and his letter to the people of Bruce affords food for thought. It should awaken the people to a realization of what may be in store for them if they will pull together for the County.

Mr. Eadie advocates a Bruce County Manufacturers' Association, which will pull together in buying heavy supplies and in routing shipments through our ports, to compel steamship lines to call.

The Directors of the corporation include Senator J. J. Donnelly of Pinkerton and William M. Shaw Esq. of Walkerton.

We hope to see Bruce County take advantage of its opportunities at once, as we note that the Company will confine its efforts to getting subscriptions from Bruce County, only until August 15th, and thereafter will go to the general public unless Bruce indicates a willingness to finance its own affairs.

If the proper financial support is forthcoming to enable the Company to carry out the large extensions planned, the people of Bruce will have an enterprise worthy of the County.
