## FOUR HANGED IN ONE DAY

Montgomery Has a Hanging—Two Negroes and Two Whites.

[Canadian Press Despatch] MONTGOMERY, Ala., April 4.—Two white men and two negroes, convicted of murder in Montgomery county, were hanged in the jail here to-day.

The first of the condemned men to mount the scaffold was G. Walter Jones, white, sentenced for the murder of Sloan Rowan, in a railroad train here. The trap was sprung at 6.18 o'clock, but the rope slipped, and Jones was not pronounced dead until 36 minutes later. Persons who witnessed the execution said deputies were compelled to hold Jones' body away from the floor.

The trap was sprung on Arnold Gilmer, white, at 7.18 o'clock. Seven minutes later physicians pronounced him dead. Gilmer was condemned for the murder of Mrs. Lucille Taylor on December 23, 1911. John Adams, a negro, who killed a Montgomery patrolman, was pronounced dead 14 minutes after the drop was sprung. Sixteen minutes was required for the execution of Coleman Germain, negro, who killed his wife.

## ANOTHER TRIAL AT HAMILTON

Foreigner is Being Charged With Murder in High Court.

[Canadian Press Despatch]

HAMILTON, Ont., April 4.—Another man was placed on trial for his life at the assizes here to-day when Wasil Boyka, accused of hacking to pieces with a hatchet Casimir Linkewitz, fellow countryman, during a drunken orgy last February, faced a charge of murder. The crown and defense challenged every city man called and Boyka's fate will be settled by a jury of farmers. Witnesses at this morning's session described the scene in the house the night of the tragedy. They told how the two men sat up late, carousing. During the night they heard a heavy object being dragged across the floor. In the morning they found a trail of blood that led out into the yard, where the victim had been dragged. Boyka, the police said, admitted the crime. Boarders told how he said he would cut up everyone in the house. The case will probably go to the jury late this afternoon.

sides of several cars, a number of doors being hurled long distances. There was also an attempt during the night to blow up Oxted station, in Surrey, on the London, Brighton & South Coast railway, but the damage caused by the explosion was inconsiderable, only the windows and doors of a lavatory being shattered. A traveling basket was found in the lavatory containing a clock timed to go off at 7.30 a.m., and some cans of petrol. A fuse had been set into a small package of gunpowder, which evidently exploded without igniting the petrol. A revolver was found outside the lavatory, which apparently had been dropped during a hurried flight.

## Four Months Sentence

LONDON, April 4.—Olive Hocken, a militant Suffragette, was found guilty at the Old Bailey Sessions to-day of conspiracy in connection with an attempt to set fire to a pavilion on the Richmond golf links. The woman was sentenced to four months in prison and to pay part of the costs of the trial. The jury found Miss Hocken not guilty of the other charges brought against her by the police.

## Will Make Settlement

HAMILTON, April 4.—On Sunday evening in the James street Baptist church, the pastor Rev. J. J. Ross, will give the Hamilton public a statement upon the libel action brought yesterday against him by Pastor C. T. Russell of the Brooklyn Tabernacle. Mr. Ross has not yet given a statement on any aspect of this case, which has attracted such widespread interest. He says he regrets the case did not go to trial, and in order that the facts known to the defence may be given to the public, he feels that he should freely discuss the matter on Sunday night. He has specially invited followers of Russell to attend the service.

## Military Notes

Bisley Try-Outs.

The Cadet Bisley Try-outs were held yesterday afternoon at the armories, Capt. Butcher, R.C.R., and Capt. Marshall were present to take charge. The results were not as good as in former years in view of the fact that only juniors are eligible this year. Yesterday was so dark and cloudy that the shooting was not so successful as heretofore. However, taking into consideration the fact that this is the first year that many of the cadets have shot in a tournament the results are very good. Cadet A. Howard headed the list with 163 out of a possible 280. Cadet Kew second with 141 and Cadet G. Matthews third with a score of 135. These three Sergt-Major Oxtoby considers are the only ones that have a chance of crossing the pond.

The cadets were handicapped to a certain extent by not knowing till the day previous when the match was to come off. The Boy Knights tried out at noon but their scores were not high in comparison with those of the cadets.

The shooting was in both kneeling and lying down positions, and in both straight shooting and rapid firing. The Sergt-Major was quite optimistic this morning regarding the Bisley try-outs. He stated that in the same weather prevailed in other cities
