Automobile Accident

The Smith Falls Record says: On Monday night while Messrs R. W. Harry and William Watchorn and Mr. G. B. Magee of Merrickville, were returning in an auto from Perth, they were wrecked on the road and some of them severely injured. Mr. R. W. Watchorn was driving the car, and on coming to a narrow strip of road a short distance from Perth, he tried to cut off the gasoline, but by some mischance he pressed the wrong lever and instead of cutting off the supply, he turned it all on. The car bounded forward like an arrow and in a moment was beyond control. At lightning speed it crashed into a telegraph pole on the roadside and turned completely over, burying the occupants beneath it. Mr. R. W. Watchorn and Mr. Magee were both unconscious for hours, but Messrs. Harry and William Watchorn did not suffer any serious injuries. A Perth doctor was called, who looked after them. Mr. Magee's face was so badly cut and lacerated that it was feared his jaw was broken. They were taken to their homes late that night, and Dr. Walker spent the entire night in caring for Mr. Magee. After a thorough examination it was found his jaw was not fractured, although it is badly cut and bruised. Mr. Watchorn, while battered up, sustained no serious injuries and will be all right in a day or two. The car is a total wreck.

For Illegal Trapping

The Smith Falls Record says: An Indian bearing the name of John Sunday is in the cells at police headquarters to-day charged with trapping and taking muskrats contrary to the provisions of the law. Sunday is an Indian from New York state and is in residence in a tent on Beech island. With him are two other Indians and two squaws. Inspector Phillips was suspicious of them and the other day visited the camp to search for rat skins. He found fifty which he brought away but he could not get the Indian. He laid an information against him however and last night at 11 o'clock Chief Phillips a couple of men with him and rowed up to Beech island. They landed noiselessly and going to the tent found the three Indians and two squaws in it sound asleep. They were lying on the ground and had not taken the trouble to take off their boots or clothing. The Chief arrested Sunday and brought him away, and now he will have to answer the serious charge of trapping muskrats out of season. When he was searched after arrest, a big murderous revolver was found in his hip pocket, fully loaded.

James McGill Dead

Mr. James McGill, a life long, and highly esteemed resident of Merrickville, complained of feeling ill Tuesday afternoon of last week and left his work at Watchorn's mills for a few hours' rest, never dreaming that his work was done. That night after retiring, his suffering increased and death ensued in a short time from heart failure. Deceased was 57 years of age and a skilled mechanic, having been employed at various times in many woolen mills, in different parts of Canada as an expert spinner. The funeral took place to St. Ann's church, where the Rev. Father McDonagh celebrated Requiem high mass for the repose of the soul of the departed, after which interment took place in the R. C. cemetery. The following brothers and sisters survive: Thomas and John of Merrickville, Charles of Atlantic City, N. J., Bernard of Brainerd, Minn., Rev. Sister M. Denise, Watertown, S. Dakota, Miss Margaret of Brockville, and Mrs. Julia McQuinn of Merrickville.

ADDISON

At the close of the Sunday School on Sunday, Mrs. Howe read the following address and Miss Mary Wiltsie presented a bible to Mrs. Snider.

Dear Mrs. Snider—Having learned that you are soon to leave our village for your new home in Boston, we feel that we could not permit you to sever your connection with our church and Sunday School without expressing our deepest regret at losing so valued a member from our midst but knowing that our loss will be others' gain, we unselfishly submit to the guiding Hand which orders all things in heaven and earth. As a token of the high esteem in which you are held by us all and as a mark of appreciation of your much valued assistance and of your many acts of kindness, we ask you to accept this bible as a parting gift. It is our earnest prayer that God's best spiritual blessing may rest upon you wherever your lot is cast, and that hereafter we may all meet again in that heavenly home where partings are unknown. Signed on behalf of the Addison Sunday School.

ALMERON BLANCHARD

The meeting closed with the singing of "God Be with You till We Meet Again."

Mrs. Snider wishes to thank the members of the Methodist church and the Sunday School for their kindness in presenting her with a beautiful bible.

Charged With Kidnapping

Chief Phillips has been playing the detective game during the week and doing it most skilfully and successfully. A week ago Sunday he received a telegram from the Montreal police asking him to be on the lookout for a man named Wm. Thompson who; was charged of kidnapping a young girl of about sixteen from that City. She was supposed to be with him. The Chief kept a keen lookout and towards the end of the week he met a girl on the street, who he thought, might be the one he wanted. He found out where she was boarding and that she gave the name of Mrs. Thompson. He went to the house yesterday took her up to his office, questioned her, got the story and later found the man working in the Frost & Wood shops. He arrested him on the charge of kidnapping the girl and at noon a Montreal officer came up and took the pair back home. It is understood that while the charge is technically kidnapping, the girl came away willingly with the man, and seemed content to remain with him. She had visited one clergyman in town to see about getting married. Her parents are prosecuting.—Smith Falls News.

Hon. Dr. Montague Dead

Winnipeg, Nov. 14.—Hon. Dr. W. H. Montague, formerly Minister of Public Works in the Roblin Government of Manitoba, was found dead in his room in the Royal Alexandra Hotel here yesterday afternoon. Death presumably occurred from heart failure.

Dr. Montague had been in ill health for along time. Walter Humphries Montague was born in Middlesex County, Ontario, in 1853. He was educated at Toronto University and took his final degrees in medicine at Edinburgh.

Started Machinery in motion

The three-year-old son of Mr. and Mrs. Buxton of Perth, had a narrow escape from death the other morning. He was going around the interior of the shoe factory and started some of the machinery in motion. Knowing that something was wrong employees ran to find out the cause and found the boy in among the electrical appliances. He was carrying a cat in his arms at the time and when they came to the boy the cat was dead, due to electricity. The boy came through safely, but the consequences might have been more serious.

The remains of Mr. George P. McNish, formerly of Lyn, who died at Calgary, Alta., last week, arrived at Brockville yesterday at 11.20 and was taken to Lyn for interment.
