THE POST OFFICE.—We notice a great improvement in the post office. Mr. Raud has had a number of new boxes put in which present a very nice appearance and will add much to the convenience of the office. There are now about 200 call boxes and a number of lock boxes. Thus is the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes. Thus is the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes. Thus is the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes. Thus is the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes. Thus is the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes. Thus is the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes. Thus is the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes, the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes, the first time the people have ever had the convenience of the office. There are now about 200 call boxes and a number of lock boxes are of more worth to a people have every had the convenience of their naterial resources to their use and benefit? and, having these, have they also that moral sense of their had the material resources to their use and benefit? and have they also that moral sense of their had the material resources to their use and benefit? and have they also that moral sense of their they have they also that moral sense of their they have they also their and benefit? And having these and benefit? and have they also that moral sens People have ever had the convenience of the latter and it will no doubt be appreciated. We congratulate Mr Rand on his enterprise and the people of Wolfville on the improved appearance of the latter and the improved appearance of the note. There are 310 Divisions of Sons of Temperature in Nova Scotia, with a Temperature in Nova Scotia, with a Temperature of 16,805, a decrease of 171 membership of 16,805, a decrease of 171 and well-being of the community."
