WEDNESDAY, MARCH 6, '89.

Lecture.

The Mission Hall, Newcastle, was well

illed on Monday evening last to listen

to the Lecture by Rev. R. S. Crisp on.

The Battle of Life and How to Win

1t." Mr. W. C. Anslow presided over the meeting. The proceedings opened

with singing, Miss Russell pre-

ding at the organ. The lecturer in

commencing complimented the people

of Newcastle on the possession of so

neat a hall. He then proceeded with his

ged, and of a victory that every one of

contests of the past form to a great ex-

tent the history of the world. Upon the

fate of battles often hang the destinies

of nations. Some of the great battles

of the past which have become historic,

naming a number of them-have chang-

ed the political geography of empires; and

But far more important to us to-day is

the great battle of life-a battle which

we all must fight, and therefore either

win or lose. And while victory is sure

to us if we are true, it is very possible

to prove false and fail. The contest

with our foes is often most severe-

Many a man has had to fight a battle in

he has won has caused more gladness in

the hearts of those who are the deeply
