POWERFUL BODY

OTTAWA. Saturday-Considerable talk has led to a definite plan for a complete federation of the Civil Service in Canada. Though no action has as yet been taken in the matter it is probable that the outside service all over the Dominion will be asked of Civil Servants. This, at any rate is he idear which some prominent lotion employes of the Government throughhut the Dominion would become a powerful body and through complete co-operation, the service would be much more likely to gain the ends than through the incomplete of ganization of the inside service alone PACIFIC SALMON PECK
