

# CONSTABLES FIRE UPON STRIKERS.

## Attack Freight Handlers at Owen Sound.

## Five Constables Hit and Seriously Injured.

## Mayor's Unsuccessful Effort to Make Peace.

Owen Sound, May 11.—The strike of the C. P. R. handlers assumed serious proportions shortly after seven this morning. The C. P. R. had about 60 special constables sworn in that they brought up from Toronto with Provincial Detective Rogers. The strikers hearing that an attempt was being made to begin work, hurried to the wharfs quite peaceably. Several of the strikers were deputed to persuade the men who were going to work to quit and the other strikers were standing in bunches on the dock. Suddenly the special constables fired upon them. A rush was made for the coal pile and the strikers used the coal so effectively that the constables returned inside the boats but not before five of them were seriously injured and one may not recover. Among the strikers two had narrow escapes from being shot, the bullets going through their clothing, one was shot in the foot, one in the shoulder and one through the calf of the leg.

After the shooting, Mayor Kennedy read the Riot Act and both parties were invited to his office for a discussion.

Mr. McMurchy, solicitor, and Superintendent Nelson represented the C. P. R. Mayor Kennedy represented the town and a committee of three represented the strikers. The meeting resulted in a disagreement. The C. P. R. suggested that the men go to work and leave the matter to be settled by the Government arbitrator, or to accept 15 cents per hour, and 16 cents night for the season. The men, however, refused and are holding out for last season's figures. To the credit of the outsiders brought in by the C. P. R. they have struck in the Owen Sound contingent, though the majority are destitute and are being cared for by the town. The sympathies of the citizens were with the strikers. They hold that it is preposterous to put men to work for 15 cents per hour, more particularly when the C. P. R. is charging as high rates for freight as they did last year.

## ASSAULTED A GIRL.

## Young Lad Pleaded Guilty and Received a Warning.

There was a peculiar case in the Juvenile Court this morning, before Magistrate Jeff. Melville McKenna, son of J. R. McKenna, 123 Cathart street, was arrested early this morning on a charge of assault upon a young girl. McKenna claims he is only 15 years of age, hence the Juvenile Court proceedings. He was arrested by Constable Brown, and the police have been looking for him for the past three days. Constables H. Smith and Thompson were also after him last night. This morning he pleaded guilty to the assault and was allowed to go, as the complainants did not wish to be hard on him. Friday night, about 9 o'clock, the girl who made the complaint was walking on Barton street, and just as she was passing over the bridge east of Ferguson avenue McKenna assaulted her. The complainant's parents were willing to let the charge go as common assault and McKenna was warned and let go on suspended sentence. Alex. Cameron, a boy living in that vicinity saw the assault. The police suspected the defendant of several offences, but after an examination decided he was not the man who has been annoying young ladies in that vicinity of late.

## TWO SERVICES.

## Hamilton Oddfellows at Oakville and Dundas Yesterday.

Under the auspices of Canton Hamilton, No. 4 P. M., under Commandant R. J. Faulkner, the members of the local lodges, I. O. O. F., and the Daughters of Rebekah, went by special car to Oakville, yesterday for the purpose of attending Divine service with the Oakville brethren, at 10.30 a. m., at the Methodist Church. After the service dinner was served in the banquet room of the I. O. O. F. At 1.45 a special, accompanied by a number of Oakville brethren left for Dundas, where they attended Divine service with the officers and members of Valley City Lodge at Knox Church. In both instances the choirs rendered special music which was appreciated very much, and the discourses were scholarly and instructive. The brethren returned at 5.30, having enjoyed a very pleasant day of services.

## LOOKING FOR WORK.

## Hundreds of Poles Arrive in the City of Ottawa.

Ottawa, Ont., April 11.—Hundreds of Poles are arriving in Ottawa looking for work. The immigration department is full of their requests. They do not speak English. Last week 300 were shipped to Fort William on railway construction work. Another 300 will go this week. Some of the men have as much as \$10.

## Double Shooting.

Chicago, May 11.—Martin Schleyer shot and probably fatally wounded his divorced wife, Martha Schleyer, at Kenosha, Wis., yesterday. He then turned the weapon upon Herman Koehler and inflicted mortal wounds. Koehler, who lives at Kenosha, was visiting Mrs. Schleyer at her home. Jealousy and drink are declared to be the cause of the shooting. Schleyer fled after a struggle with Koehler. Later he gave himself up to the police.

## LUNATIC WAS RECAPTURED.

## Robert Henry May Oppose Mr. Paterson in North Brant.

## Baseball Season to Open in Brantford Next Saturday.

Brantford, May 11.—H. B. Locker, an escaped inmate of the Hamilton Asylum, was caught near this city on Sunday morning by Constables Kerr and Mounce. The man believed himself to have gotten away from sudden death and other impending peril. He left Hamilton at 3 o'clock on Saturday afternoon and arrived on the northern outskirts of the city near Tranquility the next morning. His feet were cut and bleeding from his long walk over the railway ties, and the man was in bad shape. A special officer accompanied him back to the asylum last night.

In North Brant. Liberals are greatly encouraged at the showing which their candidate in North Brant for the Provincial Legislature, Mr. George L. Telfer, is making. On every hand success and encouragement are meeting the popular candidate, who is one of the best known speech raisers in the Province. The riding, until captured by Mr. John H. Fisher, was regarded as safe Liberal, and it is confidently expected that the Liberal candidate will be returned on June 8.

In Conservative circles it is reported that Mr. Robert Henry, ex-M. P. of Windsor, and formerly of Brantford, is anxious to run against Hon. William Paterson in North Brant, and will likely secure the nomination. Mr. Henry was successful over Mr. Paterson in 1896, but with successive defeats since that time his popularity has considerably waned in Brant County. In the north riding it is an easy win any time for a Liberal, and Hon. Mr. Paterson would have a walk-over.

Opening Day. The City Baseball League executive will open the baseball season on Saturday next at Agricultural Park. At a session Saturday evening, the Goad, Shapley & Muir factory was given the franchise thrown down by the Malleable Works, and the schedule was drawn up. The usual parade and preliminary features will be pulled off. Mayor Bowdler will pitch the first ball. Mr. T. H. Preston catch and Mr. W. F. Cockshutt, M. P., will be the hitter. The local league is stronger than ever. The teams have all their imports here, and the article of ball will, it is expected, be much improved. Messrs. Simpson and Lerner, last year with Hamilton, will be the battery for the Goad, Shapley & Muir Company, and have accepted positions with that firm.

Broke His Leg. Word had been received in the city of an accident which happened in Winnipeg recently to a well known former Brantfordite and an employee of the Exporter, Robert Patterson. He was getting off a street car, when he fell and broke his leg.

General Notes. Local hotelkeepers report that special detectives from the liquor license department were in the city yesterday, endeavoring to secure convictions for illegal selling. There was nothing doing, however.

Brantford has not as yet secured any outside players for the senior lacrosse team. The general consensus of opinion locally is that lacrosse this year will not be a good proposition.

The Liberals of the city held a big rally Saturday night. The rooms were packed to the doors, and standing room was at a premium. Rousing speeches were delivered by the candidates, Lloyd Harris and Mr. W. McEwen, Mr. C. S. Tapscott, John Muir, T. H. Preston and others.

## LOCKET AND LINKS

## Presented to Manager Driscoll, of Bennett's Theatre.

The vaudeville season at Bennett's Theatre came to a close on Saturday evening, when a big house enjoyed the fine bill which was presented during the week. At the close of the performance the employees of the house waited on Mr. George F. Driscoll, resident manager for the Bennett Co., and presented him with a solid gold locket and a pair of cuff links, all of which were suitably engraved. The presentation was made on behalf of the staff by Mr. Wm. Laing. Mr. Driscoll made a suitable reply. It is likely that the Bennett house will be opened for a summer engagement in three weeks. Negotiations with a New York stock company are now going on with that end in view.

Miss Phyllis Hendrie has gone to England for some months' visit.

## King Alfonso's Baby Joins the King's Own Regiment.

Madrid, May 11.—Prince Alfonso, of the Asturias, the infant son of King Alfonso, who was born Mar. 10, 1907, was enrolled in the Spanish army at the royal chapel yesterday. The little prince was attired in the uniform of a private of the King's Own Regiment and was carried by the Queen to the altar where the military oath was administered.

## STOCK AT SAVOY.

## Summers Company Will Open There Next Week.

Formal announcement was made today that the Summers Stock Company would begin a limited engagement at the Savoy Theatre next week, in a repertoire of popular melodramas and comedies of the higher class. The enterprise of Manager Appleton in securing this splendid company will no doubt be appreciated by the theatregoers who have become satiated with vaudeville, and who are sure to welcome the pleasant change of policy to be introduced at the Savoy on Monday evening next. If business merits it, as it no doubt will, stock will be continued at the theatre until the time for Mr. Summers' Canadian tour to the Northwest and Pacific coast.

Although popular prices, ten, twenty and thirty cents for the evening performance and ten and twenty cents for the Wednesday and Saturday matinees, will be a feature, this will be no criticism of the quality of the entertainment to be provided. Special scenic effects are being painted and built for the productions, which will compare favorably in every way with any of the dollar shows seen here this season.

Perhaps the most flattering testimony to Mr. Summers' popularity is the fact that hundreds of people climbed over five hundred steps right after night, when the East End Inmate was burned, to witness performances given at the mountain theatre. He has gathered together a large and capable company, numbering many of the cleverest artists appearing in stock productions on the continent. Josephine Worth, who was leading lady at the Empire Theatre, Toledo last season, taking the place of Rebecca Warren, who went to Winnipeg; J. M. Donovan, leading man for many years with the Standard Stock Company, in Philadelphia and Louis E. Appell, whom Hamilton theatregoers will favorably remember as a very capable actor in Mr. Summers' productions for the last two seasons, will appear. Others will be Miss Jacqueline De Witte, a soprano of exceptional merit, who has filled important positions with many well-known companies; Margaret Boyce and Harry Wayne Lindsay, who were the leading support of Katherine Rosher last year; Fred Derrity, a splendid character actor in Mr. Summers' employ for the last four years, and many others. A feature will be the appearance of Miss Doris Canfield, who will play the child parts. She is pronounced one of the cleverest little artists on the American stage.

The first week will be devoted to comedy, the company presenting "The Wrong Man," one of the best comedy numbers in the repertoire in which it appears.

## SWEEPED AWAY.

## Several Small Towns Destroyed by Tornadoes.

Woodward, Okla., May 11.—A succession of tornadoes swept over the district lying 25 miles southwest, south and southeast of Woodward, last night. Several small isolated towns all away from the railroad and without telegraphic communication are reported destroyed, many persons having been injured and several are reported to have been killed.

Seven towns are reported to have suffered damage more or less severe. They are Grand, Arnette, Viei, Mutual, Estelle, Cooley and Richmond. At each place casualties have resulted. The known casualties are:

At Arnette—Man named Fale killed, half a dozen injured, one fatally.

At Viei—Dr. Hauser, a physician, fatally injured.

At Mutual—Arthur Sidelle, his wife and several others seriously injured.

Grand, the county seat of Ellis county, is said to have been wholly wrecked. The towns of Estelle, Cooley and Richmond also are reported to have been destroyed. All these places are 25 miles from a railroad. Wires are down and it is difficult to obtain details.

## TO STIR THINGS UP.

## West Flamboro Temperance People After Some Scalps.

The temperance people of West Flamboro are still up in arms against the action of the License Commissioners in defying the township by-law, cutting off two licenses. At a meeting of the officials of the Millgrove Methodist Church last week, the Rev. Mr. Cavers was again appointed to go to Toronto and interview the Provincial Secretary to ascertain, if possible, why the instructions, issued by Mr. Hanna, at his previous interview, to the Commissioners to issue but two licenses, were not carried out. So eager was the Provincial Secretary on that occasion, to have the by-law observed, that he ordered a telegram to be sent at once. Either the telegram failed to go or the Commissioners took no note of it, or saw fit to ignore all other authority, but their own will. The belief seems to be gaining ground that the Department is virtually in league with the Commissioners to set aside the legally expressed will of the people, hoping thereby to gain a few votes for the Conservative candidate at the forthcoming election. But the temperance people do not seem asleep, and may soon be heard from again.

## CHURCHILL WINS DUNDEE.

## Elected by Big Majority Over Three Opponents.

## Unsuccessful Efforts Put Forth to Defeat Him.

WINSTON CHURCHILL.

Dundee, Scotland, May 11.—Remaining true to its Liberal faith, which it has held unshaken for a quarter of a century, Dundee on Saturday elected Winston Spencer Churchill, the new President of the Board of Trade, to represent the city in the House of Commons. The young man's political future is thus assured. Mr. Churchill's plurality over Sir George Baxter, the next candidate, was 2,709, the vote standing as follows:—Sir George Baxter (Liberal) 7,089; Sir George Baxter (Unionist) 4,370; Mr. Stuart (Laborite) 4,014; Mr. Scrymgeour (Prohibitionist) 655. The fight can scarcely be compared with that in 1906, for then there were five candidates in the running, two Unionists, two Liberals and one Labor, two members: Rt. Hon. E. Robertson (Liberal) and A. Wilkie (Labor), being elected by 506 than the leading Unionist polled at the general election, while the vote for Mr. Churchill was 2,197 behind that for Mr. Robertson for 1906.

Dundee is one of the chief sufferers from prevailing bad trade, and the tariff reformers and Laborites made the most of their chance. The former paraded with placards declaring that the jute workers had lost their employment through the American tariff, and that this was the opportunity for them. The local jute works closed on Saturday, and this afforded an excellent argument, and one which the tariff reformers were not slow to take advantage of. The advocates of protection and the Laborites made capital out of the shipbuilding dispute, in connection with which there are 1,400 unemployed in Dundee.

The fact that Mr. Churchill was not so successful as his predecessor in the Board of Trade in effecting a settlement of the great industrial crisis was regarded as most hopeful by the Laborites for their cause.

On the other hand, the budget announcement of the tariff reformers, and duty on sugar undoubtedly was in Mr. Churchill's favor, as Dundee is the centre of the jam industry.

## BEHEADED BY WHITNEY.

## Did the Premier Give These Men a Square Deal?

When Premier Whitney was in Hamilton he pleaded for a square deal on the ground that he had given the people a square deal. Here is a list of thirty-three Hamilton Justices of the Peace, who got a square deal from Whitney shortly after he came into power by getting their official heads cut off, the plea being that they were past their usefulness and incapable of performing the duties pertaining to their office. A perusal of the list is all that is required to refute such a charge. They were Griets, and Whitney gave them a square deal by dismissing them from office. What kind of "a square deal" does Whitney deserve?

## FOR MONEY ORDERS.

## Two New Offices to be Opened in Hamilton.

On Monday, June 1, two new money order offices will be opened in connection with the Hamilton Postoffice service—one in the thickly populated northwestern part of the city, and one in the extreme east. The former place is the branch office kept by Mr. Samuel Wotten at the corner of York and Ray street, and the latter the branch office kept by Mr. J. H. Plunkett at Crown Point. Both offices will issue and pay money orders. The service will be a great convenience, especially to the working classes by which these sections are peopled, as both places of business are open day and evening.

## EVELYN THAW'S

## Hearing for Annulment of Marriage Postponed.

New York, May 11.—A hearing of Evelyn Nesbit Thaw's suit for the annulment of her marriage to Harry K. Thaw was scheduled to begin in this city today, but was postponed by agreement of counsel. Daniel O'Reilly, counsel for Mrs. Thaw, requested a postponement on the ground that he had been unable to secure certain evidence which he desired from Pittsburgh.

A commissioner to take the testimony was appointed recently by Robert E. Deyo, the referee appointed to take the evidence in the Thaw case. Counsel for Thaw consented to the postponement, but declared that he would agree to no further delays. The new date of the opening of the hearing has not been fixed.

## Impossible to Get.

Many people want wool soap, ivory soap or copco soap and don't know where it is to be had. Parke & Parke have these soaps in stock and sell them. Wool soap, 5 and 10c per cake, ivory soap, 8 and 15c per cake, copco soap 5c per cake. Their stock of toilet soaps is very complete.

## THE MAN IN OVERALLS

## It was natural that Mrs. Guinness should have put her dead husbands in gunnysacks.

Seeing that Roosevelt has refused a third term it seems out of place for Mayor Stewart to be begging for one more year.

If Mr. Hendrie had been the strong man we are told he, the Normal College would never have been stolen from us.

What kind of a square deal did Whitney give the Hamilton Grit J. P.'s, when he gave them the axe?

If Earl Grey preferred it, he might be able to unveil the statue by proxy.

The latest health bulletin is to the effect that the skeeter and the house fly are more to be feared than is the smallpox.

They tell me that Mac is going to be elected.

According to Mr. Whitney's dictum, License Commissioners are hirings of the Provincial Government.

Things are going along nicely. But get around to the club rooms and see what you can do to help.

The debt was a dollar a head when Ross quit. Now it is three dollars a head, and goodness knows what it will be if Whitney is not knocked off.

I am inclined to believe that these attacks on the police received quite a stimulus by the newspaper attacks on them. Howdies are quick to learn and take encouragement when they read about "unions ruffians" in the press.

The Spector, I see, is doing its level best to work the proposed technical college for all it is worth in the interests of the Tory candidates.

Another thing Whitney has failed to do. He has done nothing so far to see that our lodge dues are made safe.

The Con. Club should fetch Lefurige here and the rest of the gang. Mr. Barker seems to have congenial chums down at Ottawa.

So far I have found nobody who can tell me what Mr. Hendrie has done for Labor.

In what way does the Mayor propose to use the Cataract Company as a Big Stick for the Hydro-Electric power people? An answer by phone or any other old way would oblige.

But then Messrs. Wardrope and McClelland know quite a lot about technical education, too.

Why should ward foremen do any electioneering? That is not included in the curriculum. What does Mr. Sweeney say?

So it was Mr. Whitney's Treasurer that signed the first Canadian Northern guarantee, as well as the second one. Why did Whitney tell such whoppers when he was here?

Did Henry New get a square deal when he was kicked off the License Commission?

This feeding of Tory workers at public banquets looks to me like bribery.

Don't forget about getting registered.

## CROWD AFTER A DETECTIVE

## Thought He Was Wrongfully Taking a Child.

## Little One Kidnapped and Given to Its Father.

About eight months ago George McPherson and his wife, who lived at 69 York street, decided to separate as they could not get along with one another. The husband took a house at 89 Catherine street north and the wife took in boarders. The couple have two children, both girls, one nine years of age and the other about twelve and since the separation there has been a continuous struggle on both sides to get the children, but the wife kept them both. The husband went to Magistrate Jelfs and told him the cause of the trouble was the fact that his wife treated one of the boarders as a star. He had a photo of the wife and the Star together to prove this and the Magistrate told him to go and take the child he wanted. That was about two weeks ago and it is claimed, he went to the Hess street school and secured the younger child as she was leaving the school. He took her to his home and sent her to the King Edward school. She was only there a short time when the mother got her again and kept her under close watch. The father then went to a private detective who sent one of his men to the house as a boarder and this man got a room near the boarding mistress's room. Arrangements were made to take the child from the house and turn it over to the father and the plans were laid for last night. Some unforeseen incident prevented this, but shortly before noon to-day he secured the child and ran for the door. The father was waiting and taking the little one started down the street.
