In reference to the above advertisement, I would ask the public to read a couple of testimonials from well known city Medical men. These I have selected from many which I am at liberty to publish, and will do so from time to time.

MR. T. L. COUGHLAN,
DEAR SIR—The EYE GLASSES which I procured of you have given great satisfaction, and I have pleasure in recommending them. Your method of getting the focus is capital, by which means you can give the exact glass to suit.
