No Profit Sale

It sounds too good to be true! But nevertheless, our invoices and cost prices of all articles that are advertised in this space will be open to the inspection of any of our customers or any other persons who may doubt the truthfulness of the above statement. While our new policy, after stocktaking, is not to keep goods in stock over ninety days, but to sell them for what they will bring. Our main reason is far broader than a selfish interest alone. It is one link in a chain of thousands of "No-Profit Sales" by leading merchants in the Dominion. It is a movement to induce the buying public to purchase their requirements, which have been curtailed through a pessimistic cry of "hard times" and future lowering of prices. If the public would buy more goods there would be no "Hard Times" To create a demand for goods is to create a market for labor, and thus solve the unemployment question. Dollars are made to roll and the co-operation of all is necessary to roll them towards a nation wide prosperity.

To begin with, the North Shore is favored above practically other sections in this province. It is true our lumber industry is dormant, but many thousands of dollars have been realized from our fisheries. The development of this country is still in its infancy, and our prosperity is simply a matter of time.

By this non Profit Sale, we are meeting the present scale of wages, more than all the way. We are giving the consumer an opportunity to purchase his present requirement at prices away beyond all his expectations. By this Non Profit Sale we mean to do our little bit to help solve the problem of unemployment.

All goods that are offered in this Non Profit Sale are tagged with a ticket, printed in red: "No Profit Sale"

INTERESTING SOCIETY EVENT AT CHATHAM

A wedding of more than usual interest took place Monday evening at the home of the bride's parents, Woodburn, Chatham, N. B. when Lillis Isabelle Fisher, daughter of Mr. and Mrs. George E. Fisher, was united in marriage to Edward F. Gallop, of Montreal. The ceremony was performed by the Rev. Mr. Littlejohns, in the beautifully decorated drawing room, banked with smilax and white carnations, and under an illuminated bell, also of smilax and white carnations. The whole effect of pink and white from the stairway to the drawing room and dining room was most artistic and elicited the especial admiration of the guests. The dining room particularly was very attractive. In one corner was a solid mass of lilies and ferns. Four of the boys and girls (the bride's close friends) formed an aisle from the stairway to the drawing room with white satin ribbon. The wedding march was played as the bride entered the drawing room on the arm of her father. She was becomingly gowned in white georgette with pearl trimming and satin train, with satin and tulle veil and a vernet of orange blossoms. She carried a shower bouquet of ophelia roses and lily of the valley. The bride was attended by her sister, Miss Kathleen, who wore jade crepe charmeuse with a bandon of silver foilage and carried a bouquet of Killarney roses. F. A. Reid, of Moncton, supported the groom. At the conclusion of the ceremony the wedding march was played, and a solo entitled "The Crown" by Kenneth Rea was beautifully rendered by Mrs. W. H. Snowball. Miss Lillian Snowball presided at the piano.

Mr. and Mrs. Gallop left on the Maritime Express for New York and after their wedding trip, they will reside in apartments in McKay street, Montreal.

The bride will be greatly missed

CHURCHES OBSERVED THE WEEK OF PRAYER

The churches of the town observed the week of prayer last week and services were held every evening excepting Saturday. Following the custom of recent years the meetings were held in the Methodist, Baptist and Presbyterian churches alternately. The meetings were all well attended and the pastors preached eloquent and inspiring sermons to the congregations. On Sunday evening a mass meeting was held in the Presbyterian Church and the congregation was a large one. Each of the ministers took part and the choirs were amalgamated.

EARLY MORNING FIRE AT CHATHAM

Fire broke out at Chatham at an early hour Wednesday morning in the house of Herbert LeBlanc, a returned soldier but the prompt and aggressive action of the fire department extinguished the flames before they got under way and saved the town what might have been a very serious fire. Very little damage was done.

BREAK IN FLOUR PRICES IN MIN- NEAPOLIS MILLS

Minneapolis, Jan. 4—Acute weakness in the wheat market yesterday resulted in a break of 25 to 30 cents a barrel in flour prices today at the largest milling companies here, making new low ranges in flour prices in about six years.

Family patents today were quoted at \$6.75 and \$6.80, a barrel when sold in 98 pound cotton sacks in car lots.

UNPLEASANT NEWS FOR MANY OLD I. O. FORESTERS

Montreal, Jan. 5—Unpleasant news for many old members of the Independent order of Foresters is contained in the statement of accounts now being forwarded to all members, for it imparts that a large number of men who joined prior to 1899 that the \$1,000 policy on which they have been paying premiums for twenty-three years or more, is now likely to bring them at death or expiry, any thing from fifty to \$300.

J. W. Stocks, secretary, has given a lengthy statement of the order's financial situation, in which he explains that the face value of a large number of the older policies has been pretty nearly eaten away by various liens laid against all policies during the past twenty years. The amount of these liens, which were levied so that the order might show solvent returns, plus the accumulated interest, has, he explained, resulted in the above facts.

on the Miramichi, for not only was she prominent in social circles, but has taken an active part in all public spirited affairs.

MILLET STEWART GETS FIFTEEN YEARS

The Supreme Court resumed here on Wednesday morning, Mr. Daniel Mullin, K. C. of St. John, on behalf of Millet Stewart, who was convicted of manslaughter, moved for a reserve case on the grounds that the Jury was improperly summoned, that the Judge did not charge the Jury on the point of accomplices, and that the protection of the prisoner, who did not testify on his own behalf, was not granted, as the prosecution had made reference to the fact that the prisoner had given evidence before the coroners jury.

After hearing arguments by both Mr. Mullin and Hon. W. P. Jones, K. C. Judge McKeown refused the application for an appeal case.

At the Wednesday afternoon session the trial of Wm Stewart, brother of Millet Stewart, on the charge of attempted rape was proceeded with behind closed doors. The jury returned a verdict of guilty with a recommendation for mercy. On Saturday morning Chief Justice McKeown passed sentence on Millet S. Stewart convicted of manslaughter in connection with the death of James Ross at Neguac, on August 2nd last, and his brother William Stewart, found guilty of attempted rape. The former was given a term of fifteen years with hard labor, in Dorchester penitentiary, and the latter, three years in the same institution. Millet Stewart, before being sentenced, strongly protested his innocence.

M'COIG TO SENATE TO PROVIDE SEAT FOR MURDOCK

Ottawa, Jan. 4—It is understood that the appointment of A. B. McCoig member elect for Kent, Ont., to the Senate vacancy caused by the death of Hon. Thomas Crothers, is likely to be made tomorrow. In this event it is believed that McCoig will be issued very shortly afterwards for the holdings of a bye-election to fill the Kent vacancy, and that the seat will be contested by Hon. James Murdock Minister of Labor. The date of such a bye-election is yet uncertain, but it is thought that probably it would be set for about February 20.
