

### SENECAS PLAY TRADING CO., AND 68TH WILLIAMS TONIGHT

#### Senecas Have Lined up a Formidable Bunch of Hockey Players And if They Play up to Form Will Be Hard to Beat; All Other Teams Look Strong and Two Great Games are Booked

There will be two important games in the City League tonight, when the Senecas meet the Trading Company, and the Williams play the 68th. The two latter teams won on last Thursday, so one of them will be totting only 500 per cent. this evening.

You've got to hand it to that Seneca bunch for getting the fast players together. If the men they have corralled play in their own terms, they should romp through the league. They have two men, Nicholl and Traub, who comprised part of the champion Civil Service defence last season and have also snared Dick Elliott, who made an excellent impression trying out with the Williams in the season. Alvin Hammond, who was a star member of the Vics for two seasons, will be stationed at left wing, and Burrows, another star, so the report goes, will play the right boards.

With the Trading Company have got together a first-class aggregation on paper and will be a hard even to beat. Young Paquet, who has been playing "kid" hockey around Regina, will make his debut in City League company, and, judging on past performances, the youngster should make good. Hogarth, Billy Molinsky and Shepherd are well-known local hockey players who have signed with the Traders.

The 68th, who were last season's champions, will make his debut in City League company, and, judging on past performances, the youngster should make good.

### TEN TEAMS WITH AVERAGES OF BETTER THAN 700 IN THE COMMERCIAL BOWLING LEAGUE

The Commercial League averages for this week show more improvement in the bowling. Dave Bulyea's three big games are still high and Hans Wagner with twelve games to his credit is second. One of the features in the fact that McQuaid, of the Semi-Ready, has shown himself to be a real bowler, as his average is 173 at this time. Bill Marshall is keeping up his good work and a new entry in the 170 class is Freeman, of the Province, who has been trundling very good at late.

There are ten teams with averages better than 700, whereas one week ago there were only nine. The Pressmen are in third place and Williams and Semi-Ready are tied for fourth position. The Sawyer-Massey jumped into the 700 class the past week.
