Perhaps you wonder how so many women manage to have a complexion that is always fresh and clear, and how you can make your complexion better. Here's the secret—  
**NYAL FACE CREAM**  
This is the Vanishing Cream that softens the skin and gives it that soft, velvety radiance that we all desire. Nyal's Face Cream is not oily or greasy, and it is readily absorbed by the skin, vanishing without leaving any tell tale gloss on skin. The skin welcomes this pleasant, soothing, cooling cream. It makes dry, tight skin soft and pliable. It makes rough skin firm and smooth, and gradually gives to coarse rough skin a finer, more delicate texture.
