Bedrooms & Beds

There's nothing more important to the bedroom than the Bed itself, is there? From the point of usefulness or ornament it ranks first. Does your Bed suit your taste? Does it harmonize with your room? Does it give you the sleep-comfort you need? No? Well, then it's time to discard it and get another, quick.

We are showing All-Brass, Brass and Enamel, and All-Enamel Beds in all sizes and very fine designs. Each and all of which Beds can be fitted with Springs and Wool or Felt Mattresses if desired.

Prices quoted on request.

 not for the actual work they do, but because they think and
 decide quickly, yet accurately, on the problems confronting
 them. YOUR success to-morrow may result from to-day's de-
 cision.

Let us suggest the purchase of high-grade securities at present
 low prices and high yields. A list of sound dividend-paying
 securities yielding from 7 to 10 per cent. will be gladly furnished
