SOVIET FORCES TAKE OFFENSIVE

LONDON, Sept. 14. Russian Soviet forces, it is reported from Moscow, have taken the offensive on both sides of Brody, near the old Galician border, and are marching on Lemberg, according to an Exchange Telegraph despatch from Berlin.

MAINE GOES REPUBLICAN.

PORTLAND, Me., Sept. 14. Maine gave an overwhelming plurality to the Republican ticket in the State election yesterday with a total vote larger by fifty-five thousand than the highest ever previously given in the State. Frederick Pankhurst, of Bangor, was elected Governor by fifty-five thousand over his Democratic opponent. Four Republican Congressmen were elected by a large majority.

ANTI-BOLSHEVİK RIOTING IN PETROGRAD.

LONDON, Sept. 14. Serious anti-Bolshevik rioting is taking place in Petrograd, it is declared in reports from that city received in Berlin, says a despatch to the Exchange Telegraph Co. Six of the Bolshevik commissioners, it is asserted, have been drowned in the Neva and the rest have been compelled to seek places of refuge.

ITALIAN CRISIS PASSED.

ROME, Sept. 14. Italy has passed through the crisis of the metal workers' movement, according to the Giornale d'Italia. In commenting on the situation the newspaper says, "Until last Saturday we were on the edge of Bolshevism. That

danger seems to be removed and the leaders of the workmen have become heralds of necessity to produce more. We shall see whether they are able to induce their followers to do so."

MINERS' DEMAND CONDEMNED. LONDON, Sept. 14. The most arresting fact in the coal strike situation is the bold condemnation of the miners' demand for a reduction in coal prices by Thomas Spencer, one of their leaders. The miners argue that enormous profits are being made by the owners but official figures show that for the quarter ending last June only five areas show any profit.

SINN FEINERS GET MAIL.

BANTRY, Sept. 14. Sinn Feiners captured Government mails being carried by airplane here yesterday.

REPORTS DIFFER.

LONDON, Sept. 14. Government reports say MacSweeney spent a restful night and that his condition is unchanged. The Irish League states he was appreciably weaker today after a very bad night.

COULD NOT AGREE.

ROME, Sept. 14. A despatch to the Stefani Agency from Milan says that at a joint meeting of the metal workers and manufacturers syndicate held last night there was a failure to reach any decision favorable to the ending of the controversy.

A SOUVENIR.

CORK, Sept. 14. At a special court of inquiry held here in behalf of Sinn Fein hunger strikers it was explained by the father of Joseph Murphy, one of the prisoners, that the bomb found on his person when arrested had been given him as a souvenir.

A SENSIBLE DECISION.

SCRANTON, Pa., Sept. 14. At a meeting of sixteen hundred employees of Coal Brook Mine last night, it was decided by a two to one vote to return to work this morning. Every miner north of the city is now working.

NO LIQUOR QUESTION.

PORTLAND, Oregon, Sept. 14. The statement that the liquor question is "as dead as slavery" and that

the present question is one of law enforcement was made here by Governor Cox, Democratic presidential candidate.

ONE EFFECT OF MACSWEENEY'S DEATH.

LONDON, Sept. 14. The negotiations for the settlement of the Irish question, which are described as the most promising yet initiated, will be nullified if Terrence MacSweeney dies from hunger strike, says the Dublin correspondent of the Times.

WAITING FOR POLES' TERMS.

RIGA, Sept. 14. The Russian Bolshevik peace delegation, who have arrived here to meet representatives of Poland and negotiate armistice and peace treaty, consider the meeting merely a continuation of the conference at Minsk. "Our terms," said Adolph Jaffe, head of the Soviet delegation to-day, "were never answered by the Poles at Minsk, nor were any counter proposals submitted. The Poles merely criticized our terms, but offered nothing in the nature of proposals. Before the conference can proceed the Poles must make known the terms upon which they would have a treaty."

POISONED.

PARIS, Sept. 14. Doctors who performed an autopsy on the body of Olive Thomas, American moving picture actress, concluded that her death was due to "poison through intoxication with a sublimate" taken accidentally.

AIRMAN MEET TRAGIC DEATH.

CLEVELAND, Ohio, Sept. 14. Air Mail Pilot Walter Stevens and Mechanician Russell Thomas, both of Cleveland, were burned to death today when their plane caught fire at an altitude of five hundred feet at Pemberville, fifteen miles south of Toledo.

BRITAIN TO SELL SHIPS.

WASHINGTON, Sept. 14. Great Britain has under consideration the sale of forty former German liners and a number of cargo vessels to their former owners, according to advice received by the United States Government from London. The sale of the ships which were awarded to Great Britain by the Reparations Committee practically has been decided upon, these advisers state, but definite action has been held up until the existing law can be modified so as to permit of the sale of the craft to the Germans. Some officials of the United States profess to see in this plan an attempt to hinder development of the United States Merchant Marine, but Chairman Benson of the Shipping Board declared that the immediate acquisition of considerable tonnage by the Germans would in no way defeat the purpose of the agreement between the American Ship and

Commerce Corporation and the Hamburg American Line for opening of former German trade routes to American Shipping.

MAD ELEPHANT SHOT.

SALINA, Kansas, Sept. 14. It required three rounds from five army rifles yesterday to kill "Snapper," a trained elephant belonging to a circus showing here. The animal had gone mad and started to wreck the menagerie. He threw one cage containing four lions a distance of thirty feet and upset a score of others.

LOED BURNHAM COMING TO NEWFOUNDLAND.

MONTREAL, Sept. 14. The steamer Empress of Britain leaves Quebec to-morrow afternoon for Liverpool and will carry the main group of the Imperial Press party home. Viscount Burnham, head of the party, has gone on to Newfoundland and will leave Quebec next week.

FOUND RIGHT MEDICINE

AT LAST, SAYS LORD.

Worn-out Feeling And Indigestion Gave And He Gets Up Every Morning Ready For Work Since Taking Tanlac.

"Tanlac has simply made a new man of me," declared Frederick Lord, well-known fisherman, living at Navy Island, West St. John, N.B. "Last winter my digestion became so upset I couldn't eat a thing without having terrible pains in the pit of my stomach afterwards that fairly doubled me up. I bloated up with gas till I had to let out my belt several holes, and I had a bad taste in my mouth all the time. I got very little sleep at night and always got up in the mornings feeling tired out. I was so weak I could hardly drag around and thought I would have to give up altogether. "My brother-in-law was greatly

than two months ago.

the valor, indomitable cheerfulness and splendid soldierly qualities of the men I had the honor and pride to command."
