The Delineator for August.

A wealth of suggestions for the newest summer gowns is to be found in the August Delineator, which is interesting not only from the standpoint of fashion but for its reading as well. Among the fiction of the number is an installment of "The Chauffeur and the Chaperon," the delightful motor boat romance by the Williamsons, authors of many automobile stories; also two entertaining short stories by Carroll Watson Rankin and Marvin Dana. In the Campaign for Safe Foods, Mrs. Abell contributes a chapter on "The Market Inspector and the Buyer" which concludes this series of notable articles. There are numerous articles devoted to the interests of the home—The Kitchen, House-furnishing, Needlework and Dress-making and the children's pages include a variety of features having for their purpose the entertainment of young folks.

Card of Thanks.

We desire to express our heartfelt thanks to the many friends who have by their kindness and sympathy, by their acts of love and remembrances for deceased, greatly alleviated the extreme sorrow occasioned by the sudden loss of an only son.
