The girls are gradually waking up and attending the games. The two teams were probably as evenly matched as any two teams that have yet played. Combination play was good on both teams, St. Pauls possibly having a little edge of their opponents in this respect. Irwin, for the High School, who in previous games, distinguished himself by his shooting ability fell down completely and registered only one basket out of nine penalty shots. The end of the first period found St. Pauls leading with a score 9 to 5. In the second half the High School came back in good form and the final score was 17 to 13 St. Pauls winning the game by the small lead which they had in the first half. ### Vets Win

About 100 fans witnessed the fast exhibition of basket ball dished up by the G. W. V. A. and High School on Tuesday night. The game was very fast the Vets pushing their opponents from the start and scoring 6 points in less than three minutes of play. At the end of the first period the Vets were leading by 8 points with the score 15 to 7. Both goals were constantly bombarded and the defense men were working all the time. Mitchell for the Vets made several beautiful passes from end to end to Prouse enabling Prouse to score. The High School delivered the goods too and their combination is certainly improving. The game as it was played.

### The County League

Have you been thinking much about the baseball league which we have mentioned several times. You may be a little weary on this subject and think that it won't prove a success but why not give it your hearty co-operation anyway and we'll try it out. We've all seen what can be done in the town if we only get together and work. Take the basketball league for instance. Who would have thought a few months ago that we were going to have a league like we have got? It is bound to be the same with a baseball league, don't stop at basketball; have everything that's to be had in the way of sport and then we'll be

having something worth while. Tonight you're going to see a fast game, or two in fact, of basketball. If you don't work for the county league you'll feel the loss of sport when the good old summer time rolls around. Several places have been heard from and they all seem very eager to get into the league. If there are any other places who would like to get into the league stuff drop us a line and talk the matter over. Address your letters to "The Aylmer Express, Aylmer.

In the Pinehurst target shoot S. G. Vance, of Tillsonburg, was high shot, breaking a total of 376 targets out of a positive 400.

## ABOUT YOUR CHILBLAINS!

What are they? A mild form of frost-bite—a chilling of the part to such a degree that inflammation is set up, causing a tingling pain, excessive irritation and often swelling. Zam-Buk cures chilblains by drawing out the inflammation, thus ending the pain and irritation and reducing the swelling.

Miss Annie Lepard of Beaverdale, Ont., says: "I suffered agonies from chilblains and used many remedies, but nothing gave me any ease until I used Zam-Buk, which, after a little perseverance, completely rid me of this painful ailment."

Regular applications of Zam-Buk will prevent a recurrence of the trouble. Keep it handy. 50c. box.

He lived in Aylmer over five years. He is survived by his wife, formerly Miss McCandless, of Strathroy, three daughters and three sons; three sisters, Mrs. Shipley, Union; Dr. Minnie Shipley, Riverside, Cal.; Mrs. M. ### WHAT'S ITS USE?

Little Jimmy went with his mother to stay with an aunt in the country, and his mother was very worried as to how he would behave.

But to her surprise he was angelic during the whole visit—always did as he was told, and never misbehaved.

As soon as he got home, however, he was his natural self again.

"Oh, Jimmy," she said "you were so good while you were away, why do you start behaving badly now?"

"What's home for?" asked Jimmy in pained surprise.
