# For Boys And Girls

"Kissing Three."

Mrs. W. D. Field, in Babyland. Our baby's learned to count to "three," And is as proud as she can be, In counting dolls and books and toys, And practicing on girls and boys.

But "kissing three" is her best fun-Ah, do you wonder how it's done? She corners first papa and me, For he and she and I make three.

She draws us down, and in pure fun

Polly on a Wheel.

A parrot caused a good deal of amusement recently, and seemed to enjoy her opportunities greatly. She sat on the handle-bars of a bicycle, hard. and kept calling out, "Look out! Look out!" making drivers quicken their horses' movements, and the people crossing the streets to hurry. Immediately after the parrot would call beasts from the form and then the gotten—The Outlook. people who heard would laugh. Polly enjoyed her ride greatly.

> P. 19 The Lost Doll.

By Frances Bent Dillingham.

I've hunted and hunted all day; Do you think that she could run away?

Her feet are so slender and small cieties. The Congregationalist has an article on this general subject, the legs are so weak the wall.

Her very best, pink satin gown.

At first I felt frightened for fear she Now I'm as angry as angry can be, And when I have found her I'll punish For naughtily hiding from me

Perhaps I shall send her directly to

Without any supper or light, And, what I am certain will make her She shan't sleep beside me tonight.

But stay in this closet, so wide and so dark— Look! what is that pink on the shelf? Oh, now I remember: my darling lost Why, I put you up there myself! -The Outlook.

The Relief of the Flood Sufferers. By Mary Willis.

Catherine, Jack, and Bob were in the big playroom. All the toys were out. and it looked as if a cyclone had vis-

windows, but nothing they saw seemed to interest them at all. Catherine ex-claimed two or three times, "See that bird!" but the others did not even look pointed, and dear little Catherine flattened her nose against the window-pane, and wished in her little heart that manima was at home and that dear Martha did not have a

Margery!" and the children stood on ciptoe to watch whether Margery uld come in at the gate, or go dow road to grandma's. "She's coming! ne's coming!" the three children exlaimed in one breath. Margery look-d up at the window, saw her three ousins, and waved her tam frantically as she came up the path.

The children rushed down stairs so fast they nearly fell over each other. Mamma has—no. Martha has a dren, and who asked what was meant headache, and mamma's gone to town; by a pilgrim. A boy answered: "A we are so lonesome, and have nothing to play." And they hung round Margery as if she had rescued them from Margery asked no more delightful man who travels from one place to man who travels from one place to game than to lead. "Boss" was Jack's another. Am I a pilgrim?" Whereuponame for it, when he was tired of following Margery's lead. To be the one to plan and direct other children was Margery's chief plagsure. The inspector enjoyed the jest exceeding the state of the control of the contr Margery's chief pleasure.
She looked around the big playground with shining eyes. She was wise enough to see that the first difculty was that there were too many hings about. So she proposed playing louse-cleaning. Such beating and rushing and dusting was a new exerience to Jumbo, the elephant; the eam of horses, Dancer and Prancer, eam of horses, Dancer and Francer, f they thought at all, must have decided that the way to care for horses ther, who was busy just then with her baby. Receiving no attention, she her baby. Receiving no attention, she have a way saying dejectedly: "Noand daughters, were all put to soak in he basin, while the inside of the ark was flooded and the roof shut down. Catherine was inclined to dispute this treatment of her dear, kind Noah, who saved all the animals, but today it was follow Margery or she would go home. Catherine consoled herself by lifting Noah's and Mrs. Noah's heads out of the water. The dolls were picked up and shaken, all except Catherine's Li Hung Chang. She saved him by holding him every minute. This design of the saved him by holding him every minute. by holding him every minute. This de-barred her from her full share of house-cleaning, but it saved her darling from Margery's broom. Long before the play-room was in order Margery tired of the game, to the joy of Ca-therine, who quickly rescued the soaking family and animals from the basin, and dried out the ark with her doll's bed-quilt. Bob had stood very close to his dapple-gray horse, named after the butcher's gray horse, "Bill." was about the only thing in the play-room that had not been beaten, shaken or wiped with a damp cloth by Mar-gery, with Jack's assistance. At last At last

Margery, almost breathless, sat down.

Jack's cart and horse stood on the
