THE F. C. B. C.'S REPLY. In reply to the challenge that apthink some explanations necessary. 1. In the match played in the London East Mink, on Feb. 24, the L. C. I. troubled since. I can heartly recomteam positively refused to play any mend it." other than an exhibition game, in order to keep faith with the rink management, and extorted from us the and cures in a few days. Price 25c. promise that the match played there would in no way affect future matches. Why do they want to alter this agreement? 2. In their challenge of last Tuesday, they challenged us to "a game" (not a series of games), for the championship of the city, and both teams went on the ice on Wednesday night with the understanding that the match would be final. (The L. C. I. were too sure of victory and got fooled.) 3. That this is the third challenge we have received from them, and think it about time we did a little now ourselves. 4. Bert Glover plays on our team on exactly the same conditions that Hobbs and Pigot played on theirs. Further, we refuse to acknowledge any challenge from them that is not over their captain's name We have nothing to do with "one of the L. C. I.'s team." We would advise the L. C. I.'s not to weep over spilt milk, but to bear their defeat like little men and wait until next year to make another bold attempt to regain their lost honors. Thanking you for your valuable space, we

# Church Debts.

Growth.

Keep Within Your Means Is Good rented lot was used until it was filled Advice for Every Congregation.

This is an old theme, but it becomes place being filled, the congregation very fresh and lively, when the annual or semi-annual interest, or the built a chapel, and when that was full principal, falls due. I know some-thing about the subject from personal strength and credit enough to secure experience, as nearly every minister of the necessary money to build and pay long standing does. but my experi- for a church that will be an honor ences were not of the bitter, crushing and a blessing to the community for and hopeless sort, which are heard of all time. They began at the right now and then. Our debt was a small end, and were not carried away by amone, but it was annoying and hinder-ing until it was paid. It prevented course of Christian economics which ing until it was paid. It prevented early development as a bandage stops circulation, and it was a bad excuse where systematic benevolence to missionary and relief work was concerned. It never hindered impulsive giving. A Chicago fire, a Johnstown flood, a Russian famine, even personal appeals for help, were relieved with as much promptness and generosity, as if there had been no mortgage on the church, with its interest to be as regularly met as the pastor's salary or the coal bill. I was equal to God until it is a free-will will sale leaving in her will \$200 to wards the erection of a rw parsonage. The Rev. G. F. Salton, of the wards the erection of a rw parsonage. The Rev. G. F. Salton, of the wards the erection of a rw parsonage. The Rev. G. F. Salton of First Methodist Church, St. Thomas, gave a lecture on the "Mission of Laughter," which the local paper here describes as one of the best that ever had been no mortgage on the church, st. Thomas, gave a lecture on the "Mission of Laughter," which the local paper here describes as one of the best that ever had been no mortgage on the church, st. Thomas, gave a lecture on the "Mission of Laughter," which the local paper here describes as one of the best that ever had been no mortgage on the church, st. Thomas, gave a lecture on the "Mission of Laughter," which the local paper here describes as one of the best of forts of Sam Jones. The foundation standard peals of laughter. Should with another wards the erection of a rw parsonage. The Rev. G. F. Salton, of the wards the erection of a rw parsonage. The Rev. G. F. Salton, of the wards the erection of a rw parsonage. The Rev. G. F. Salton, of the wards the erection of a rw parsonage. The Rev. G. F. Salton ever the wards the erection of the wards the erection of a rw parsonage. The Rev. G. F. Salton ever the wards the erection of the wards the part of the wards the erection of the wards as the pastor's salary or the coal bili. But when the "Boards of the Church" were presented for contributions, many were disposed to say, and some did say, 'It's not right to give money for general church purposes, till this and expect his blessing with all acchurch debt is paid." There we plaus-ibility in this way of putting the excuse, but it never meant any extra contribution toward a reduction of the mortgage. Finally, we determined to remove the obstacle, and did it one remove the obstacle, and the discourse sunday morning, sung the doxology, and were free. We were very glad, when we made this effort, that the conservative men who built the gives us an interesting little account of his acquaintanceship with Tenn conservative men who built the gives us an interesting little account church, had cut down the beautiful of his acquaintanceship with Tenny. plans which had been drawn for a son at the latter's home on the Isle structure to cost \$200,000, to a simple of Wight. Tennyson had Maurice for building which could be erected for a visitor, and the writer, being at less than \$50,000; that they had left off the time (1858) a resident near by, had a spire which would have been the arranged with Maurice beforehand to loftiest point on Manhattan Island, call upon him at Tennyson's: and put a pepper-box belfry in its "I went, accordingly, and saw Ten-place; that they had arranged the nyson and his wife. sponsibilities for church building which they would never think of taking in ordinary business, and call their recklessness faith. In other matters wise men begin small, and as the business grows, and furnishes means and op-portunities and arguments for enlargenent, the improvement is made to meet an evident demand. But often in ecclesiastical affairs an exactly op-posite course is taken. Great expendi-tures are made, and heavy liabilities are incurred, before there is any good prospect of a return. A large and ele gantly appointed sanctuary is built with borrowed money, and a few anxtous souls with an ambitious leader to grow, or for a congregation able How Far They Help or Hinder to carry the load to be carried. One of the most prosperous churches that I know has been built upon entirely opposite, and, as I think, wiser and honester lines. A small building on a to the doors by a congregation that paid the rent. Then the extended to the end of the lot.

It prevented course of Christian economics which balance in the

# A Reminiscence of Tennuson.

An anonymous letter in The Contri-

d expensive construction. member one particular talk about the Book of Ecclesiastes. Tennyson said it an elegant stone church which had cost a pile of money. As we passed my plain brick church, half covered with ivy vines, my young friend pointed to the belfry which surmounted keep His commandments; for this is the tower, and said: "Did you ever the whole duty of man. For God shall see an ugiler pepper-box on a church?" bring every work into judgment, with The remark was a trifle rude, and I every secret thing, whether it be good answered back, "I would rather have or whether it be evil." So long as you my ugly pepper-box than your handsome hundred thousand dollar mort-gage," and the bishop assented with a smile of meaning. Many years have think over the matter from this point

After Maurice had left, the writer paid a number of other visits to the Tennysons, and gives this bit of a conversation during one of them: "About that time the newspapers contained the story of someone who had fallen heir to a fortune on condi-Bleaching powder, hard wood, f.o.b. Death Visits One Home Twice Within

Two Weeks. Komoka, March 8 .- Within two weeks death has visited the home of Mr. John Turnbull and taken from him a loving faithful wife, and at 8:30 Saturday morning his little baby boy died, leaving him with one little boy 2 years old. Mr. Turnbul has the sympathy of his many friends in his sad bereavement.

Mr. W. Martison, of the city, is visiting friends in this place.

Mr. A. Waruum is able to be out again, Prof. Will Stuart, manager of the travel ng medicine troupe, who is at present in ur village, seems to have a great influence on the people of this section by the crowds that turn out to hear him. Rough weather and rough roads are no barriers in the way, whatever. Our church wouldn't be large enough to hold them.

## COURTRIGHT.

Courtright, March 5. - The steamer Welcome broke her way through the ice and made her first trip on Thursday. Mr. J. Kerr has moved his confectionery from the old stand to the store owned by Bedard Bros., which was lately occupied by

Mr. Johnston, tailor. A social was held at Major George Stewart's on Thursday evening for the benefit of the Presbyterian Church. A large crowd was present and a good time was enjoyed. A pie social was held by the Church of England congregation on Tuesday evening; proceeds, \$11, Mr. Arthur Barrett left for Chicago or

Wednesday, where he has secured a good Mr. Henry Green attended a ball i

Sarnia on Monday night. BELMONT.

Movement Toward Erecting a Methodist Parsonage-Good Beginning. Belmont, March 5 .- The entertainnent in the Methodist Church, Bel mont, on Tuesday, March 2, was quite

a success. The Epworth League and the Ladies' Aid gave a social to aid the parsonage fund, the late Miss May Willsie leaving in her will \$200 to wards the erection of a new parson Mr. Salton ever favor us with another visit, we can promise him a full house Miss Jessie L. Hambly, of the London chool of Elocution, gave some fine selections, which were well r endered some fine instrumental n Votes of thanks were proposed by the pastor, Rev. Thomas Jackson, to Mi Salton the Cunningham family and Miss Jessie Hambly, and also to the chairman, Mr. Wm. Watson, president of the league, and others. The motion unanimously. The proceed were \$17 25.

LUCAN. Good Shipment of Cattle to Illinois

Several Cases of Severe Sickness. Willard Hodgins, Business Agent. Lucan, March 8.-Mr. James H. Mc Roberts shipped from this station of McDonald McKinnon, G. T. R. sec tion man, has been seriously ill with innammation of the lungs for some days. He is slowly recovering. Mr. John McKinnon worked for some days in his father's place, but was taken sick on Saturday Miss Perry, Manitoba, is visiting in

this vicinity at present.

Miss Louise Shaw, teacher, Drayton, returned on Friday to attend the

at St. James' Cemetery, Biddulph, o Friday. Two socials were held last week under the auspices of the ladies Holy Trinity Church. The proceeds Miss Maggie Waugh, of Windsor, is visiting friends her Miss Lee has been attending the millinery opening in Toronto during the last two weeks. She returned on

Saturday last.
Miss Aggie Fox, who has been ill for the last two months, is now able to be around again. Mr. Z. Tennent, veterinary surgeon has been sick for some days. Mr. Matthew Deacon starts for Manitoba on Tuesday.

A DINNER PILL-Many persons suffer excruciating agony after partak of a hearty dinner. The food partal of is like a ball of lead upon the sto ach, and instead of being a healthy triment it becomes a poison to the tem. Dr. Parmelee's Vegetable P are wonderful correctives of suc troubles. They correct acidity, on the secretions, and convert the food par taken of into healthy nutriment. They are just the medicine to take if troubled

Mr. Jas. B. Jones, 115 Wellington street, London, Ont., says: "Four years ago I was very sick with lung trouble, and from that time mit. trouble, and from that time my heart has not been right, and has caused me great deal of suffering.

"Just before going to bed and dur-ing the night I had stoppage of breath, and felt as if I was smothering. Sometimes I was afraid to lie down lest I should choke to death. I seldom got to sleep before 3 o'clock in the morning. The loss of sleep and exertion from strangling spells which endured exhausted my strength, so nuch so that oftentimes my heart almost stopped pulsating. I was in con-stant dread of instant death through uncan McCallum, Newbury, has heart failure, and had frequently chased Erwin McCully's farm for sharp pains through my temples, together with dizziness and a mist before

my eyes.
"My memory became very uncertain, Pherson and Albert Hart, who one day last week cut, split and piled fifteen dords of wood between 8:30 and 5:30 p.m. ful to say that these wonderful pills The death occurred Friday morning have made my heart strong. It now

"To put the matter in a few words, Milburn's Heart and Nerve Pills are the only medicine that did me any good. They have raised me from a state of despair to a condition of hopefulness and health. I have great reason to be thankful that I began taking them, and hope that all others who suffer in a similar way will read testimony and try these pills, so t they may get the benefit for ch I now am so thankful."
