THE NEW QUEEN SINCERE, EARNEST

Prepared Herself Very Carefully for Present Position.

POSSESSES SOUND SENSE

And Great Influence With Her Husband-Devoted to Her Children.

London, May 10 .- Princess May, the new Queen, was engaged to be married to Albert Edward's eldest son, Albert Victor, Duke of Clarence, but which Wor. Bro. J. H. Moran is wora month before the marriage was to shipful master. come off the duke died of influenza. of Queen Victoria, transferred her affections to the duke's brother, George, Port Stanley. and married him in the following year English in her thinking and tastes. The only cause for difference be-

tween the new rulers is that King George says his wife gives away will attend the lodge of instruction every cent she has. She has started and it is expected that second of the a nurses' home, a home for cripples, supports scholarships in schools for girls, and has two secretaries to look after her general charities. Has Feminine Fads.

Queen May's favorite color is pink. her most treasured flower the lily. She has many feminine fads, including one his officers put the work on in exfor a collection of book plates. She cellent fashion. plays tennis, and drives some, but prefers to walk when it is possible. A correspondent of an American

paper says of her: "She is clever, ambitious, proud and life is completely wrapped up, almost breaks her heart. Nothing but a sense addresses. of duty induced her to undertake the journeys. At first she tried to get the Prince of Wales to assert himself and Prince of Wales to assert himself and insist on better recognition for his position and his claims on public notice. But to him the King's wish was always law, and he refused to question that authority.

Prepared for Her Position. "The truth is that the princess, who is a woman of strong character, has complete control over him, and he is perfectly happy with her. She is the person who has to be reckoned with in the coming reign. She has been preparing herself for the position in the same way as a student might read for law or medicine. She has made a study of royal statecraft, and knows down to the tiniest exact detail her powers and possibilities and those of her husband as King.

taken place in the princess since her marriage. From being a gay frolic* some girl, the life and soul of every into a grave, almost gloomy woman, decision leaves pulpwood, wood pulp imagination to the crowd despite the session of exceptional qualities of mind and body, m

Her Sound Sense. She always has been noted for her wound sense. At her girlhood home at White Lodge, where the family temper ran high during family reverses, she was known as "the peacemaker." Much of her youth was passed in Florence, and she is highly artistic. She has a splendid education, speaking four languages, mastering French. German and Italian equally as well as her, own, speaking with accuracy and fluency. She sings well, is a fine pianist, and reads voraciously, not only novels, but also serious books. Her greatest friends are Lady Eva vision of \$3.75 a ton.

Dugdale Duchess of Portland, Duchess Sutherland, Countess of Shaftesbury, Viscountess of Chelsea. nov married to Sir Hedworth Lambton.
