Phi Kappa Pi, Medical 'Frat,' Marks Progressive Step For Institution.

#### 26 MEMBERS INITIATED

Co-operation Arranged in Anticipation of Other Bodies Being Formed.

Another step was taken in the pro gress of Western University Medical School Saturday, when a student fraternity was officially inaugurated.
The founders of this fraternity,

which is to be known as Phi Kappa Pi Medical Fraternity, have been working diligently for several weeks preparing details for the installation, and Saturday marked the culmination of their efforts.

Coincident with the inauguration of Phi Kappa Pi Fraternity, the official charter was received and signed by 26 charter members, and officers for the ensuing year were installed The ceremonies commenced at 1:30 p. m., and were concluded at midnight by a banquet, which was featured with addresses by the newlyinstalled members.

The formation of a fraternity Western University will add greatly to its prestige, practically every uni versity on the continent possessing student societies of this nature. In fact, every large university possesses several student fraternities, which strive in friendly rivalry with a re-

sultant mutual benefit. Membership of Phi Kappa Pi represents every class at Western Uni-versity Medical School, except the freshmen, which students are barred from joining until they prove their Members are selected, and
