Alexander-Barn Well. Charles J. Alexander and Miss Ada M. Barnswell, both of fetoria, were married on Thursday last ay Rev. Coverdale Watson.

Over-crowding.

Sanitary Officer Bailey has summoned over twenty residents of Chinatown for over crowding their cabins, the blue papers being the result of recent early morning

To Defend the Prisoners.

The three murder trials to come up at the Nanaimo assizes promise to be interesting. The Italian will be defended by Mr. S. Perry Mills, the negro by Mr. H. A. Simpson and the Chinaman by Mr. E. A. Jenns.

Date of Meeting Fixed.

Notice has been given that the Royal Commission on Epidemic Diseases is to meet again at the Court-house in this city on Wednesday, December 14, at 2 p. m., when all those who can give any information requested to attend.

Escaped Drowning.

While playing with a number of boys on Porter's wharf yesterday, little Freddie Jenkins, a boys about seven or eight years of the landing place into the water. was not in long, however, when strong arms secured him, he himself being able to swim and keep affoat until help arrived.

Funeral Yesterday.

The funeral of the late W. H. Noble took place from his parents' residence, Oak The rumors of troubles among the Nitinat Bay avenue, yesterday, when Rev. C. Watson delivered impressive and comforting addresses at the house and grave. The pall-bearers were J. T. McDonell, W. W. Pearson, T. E. Oliver and A. M. Reeves.

In Token of Esteem.

A presentation of a fine hand-painted album was made to Dr. Ernest Hall by his medical class of last year, on Friday evening. Prior to the presentation, which had been made by Mr. D. Roper, a very suitable address was read by Miss Dunnington, which spoke of the high esteem in which all held the tor, and also of their appreciation of his sion

ourselves a chance first. I know for a fact, though in no way connected with them, that the B.C. Iron works, of Vancouver, are Library Returns. Dr. James McGregor, the city librarian, reports having loaned 1,078 books to gentlemen and 874 to ladies during the past month. The highest number of books given going in heavily for the manufacture of mining machinery. It is the slight impost of duty that will enable them to do this. They employ a great many men, and with the out in one day was 140, the average number per day for the month being 78. There were also 73 new cards issued during the same period of time, 28 of which were loaned to ladies and 45 to gentlemen. may wish to assist in that way in our de velopment—at any rate, the chance is there, but take the duty off and this infant

Deserted His Family.

Frank S. Breese is the name of a young man who for some months was clerk at Hotel Victoria. He is a married man, and the Listern cities of the States were built up by the development of the Western states. has a wife and pretty little daughter.

Some time ago Breese got into evil ways and lived a very rapid life. This could not last long, and a few days since he skipped from Victoria, leaving his family in a state of utter destitution. It is not known to what new field he has gone, but all who are acquainted with the circumstances here, can only characterize his conduct as that of a dastardly hound.

Vancouver, and others towns that, as things new field he has gone, but all who are acquainted with the circumstances here, can only characterize his conduct as that of a dastardly hound. utter destitution. It is not known to what

Entertainment. The Methodist Sunday school will hold a

Christmas entertainment at the OddlFellows loaded with presents for everybody. A good programme will be given by the school children and friends, consisting of dialogues, grand zig zag singing march by sixteen of popular education up to this date. In young ladies and sixteen small children, acspite of all efforts to make education unicompanied by a full instrumental orchestra.
The evening to be closed up by a good cofbefore of the general conditions of society. Further particulars will be given in a few days.

To Be Given a Benefit.

A benefit is to be given on Wednesday evening, December 14, to the members of the Carra Opera company, which came to grief here endeavoring to run "stock" at the grier nere endeavoring to run "stock" at the Imperial. Manager John Cort has put The Victoria theatre at the disposal of the company, who will be assisted by some local amateurs in the production of "David of, that lynch law is familiar in the United Convicte". Unlike the order of the production of "David of, that lynch law is familiar in the United Convicte". Garrick." Unlike one or two stock companies which have been here, the Carra and assassination an avowed means of social Morris company were honestly trying to give good value for their patrons' money and pay bills all round. They failed not for lack of merit but because of adverse circumstances, and it will be a kindly act to give them a bumper house to enable them to get to San Francisco.

If it compulsory to take out boating licenses universal education cannot abolish, or even for Esquimalt harbor. The Coroner con- abate, in seventy years, the horrible waste curred with the verdict and rider, and promised to bring the matter to the notice of the Government.

and cruelty of war, can anything great be hoped from it for the laboring classes?—
President Eliot, in the December Forum.

A Grand Programme

Appended is the programme for the grand enefit concert to Mr. Albert Hawthorne, at St. Andrew's hall, View street, on the 15th instant. It speaks for itself, and it speaks of a musical feast which is seldom provided here. The tickets are already on sale and are fast finding purchasers, the authors played a rattling game, and outclassed their right. upon the programme, as well as the selec-tions, being well known wherever good music has its devotees :

"Sextette"—"Lucia di Lammermoor," Verdi
"Eri King" Schubert
"A Noetra Monti"—"Il Trovatore," Verdi
Cavatina "Infelice"—"Ernani," Verdi
"Jewel Song"—"Fanst," Gounod
Male Quartette—"Sweet and Low," Barnby
Reading—"Macbeth," Shakespeare
Grand Chorus—"Hallelujah," Handel

B. C. Institute of Architects.

The first of what promises to be an interverted.

The ball was again kicked off, and was esting and instructive series of meetings for architects and others interested in constructive works of all classes, was held in Mr. Teague's office on Thursday evening last, when there were a dozen gentlemen present well returned. It soon went back to the sen-iors'twenty-five, when Smith again secured it and placed it over the bar by a beautiful Teague's office on Thursday evening last, when there were a dozen gentlemen present to listen to a short but interesting paper, entitled "Our position as an Institute of Architects," read by Mr. R. Roskell Bayne, which was followed by a lively criticism among those present. These meetings, though conducted by the local members of

the Institute and their friends, are entirely independent of the main body and are or-ganized as a sort of local branch, holding etings fortnightly, at which short papers will be read on matters of general interest, with the object of inviting criticism and general discussion. Half a dozen gentlemen have already volunteered to read papers.

THE BOYD TRAGEDY.

An Infatuated Couple the Victims of Uncontrollable Temper, with Fatal Ending.

SEATTLE, Dec. 3.—The shooting of Editor Boyd by his wife is still the cause of ex citement here. She is a Mexican-Spaniard about 22 years of age. Boyd met her in Tacoma, where she was leading a fast life about three years ago, and becoming he lessly infatuated they were married February, 1891, the marriage being entered their room than, in a fury, she killing him instantly. The tragedy is feared, hastened the pains of chil pany? How many in the family? etc.
