The mission of Sir Louis Davies to Washington possesses great interest to the people of both countries. Its scope ever conceivable question that has aris-en or can arise between them. In the in the mission scephlicked between that country and feast Britain. They are all alike in en or can arise between them. In the in the davies of the sen-to the people of the United States on the question that has aris-en or can arise between them. In the in the davies of the sen-to the people of the United States on the question that has aris-en or can arise between them. In the in the davies of parliament. United States government will need inter that ever in the course of its ex-istence the help of a powerful friend. The European powers have a fashion of the opposition thicks leaves when re-ito the people of the United States en-to the people of the United States en-t en or can arise between them. In the present temper of the people of the Unit-ed States it will doubtless be found pos-sible to effect a satisfactory arrange-ment upon every open subject. The sible to effect a satisfactory arrange-ment upon every open subject. The most acute has been the sealing dispute, but as far as it relates to the future of the two countries, it is by no means the countries of the struggle. We greatly nis-solut of the struggle. The struggle is the struggle is the struggle is the struggle most important. It comes home very closely to the people of Victoria, but it scarcely touches the remainder of the New Mar. But single-handed it will be use-war. But single-handed it will be use-most distinctly. for we do not wish to scarcely touches the remainder of the Dominion. We mean now financially, for whether Canadians live in Vancou-ver Island or Cape Breton, they are alike interested in seeing that the rights of their fellow subjects are not wrong-fully abridged. In the United States the sealing question is scarcely local. It hardly rises to the magnitude of a local issue. It is simply a commercial proposition in which a few capitalists are interested. Quite a large number

share in the demonstration, without warrant insinuations, not to say charges terms favorable to both countries. About all that there is to do on this subject is to arrive at an agreement that shall more than a century of trial. the demonstration, without warrant insinuations, not to say the say th join us in thanking them all for their in his place to make an allegation against own text hereafter? share in the afternoon's pleasure.
