A Ten Dollar Gold Piece For a Cent.

Some time ago a gentleman, bet that if he stood at the corner of Eroadway and Fourteenth-street, New York, and offered gold eagles to the passers-by for a cent each, he would find no purchasers. The experiment was tried, and if turned out just as he said. No one would believe that the coins were genuine. It seemed too good to be true. An equally remarkable offer is that made by the proprietors of Dr. Pierce's Golden Medical Discovery, the sovereign cure for Consumption. Think of it restoration to life and health for a mere song. There is not a case of Lung scrottla—in other words, Consumption—that will not yield to it, if it is taken in time. It is the greatest blood-purifier ever known, and is guaranteed to benefit or cure in all diseases of the throat and lungs, or money refunded. Only extraordinary curative properties could warrant or sustain its makers in selling it thus on trial!

Friends of Poor Children the following were appointed a committee to draft improved legislation dealing with children: Rev. J. L. Starr, Beverley Jones, J. J. Kelso, Rev. Dr. Parsons, E. E. A. DuVernet and Henry O'Brien. It is proposed to apply for the legal guardianship of neglected children and to further enforce parental responsibility, etc. Arrangements for the Christmas Eve treat for poor children, to be given in Shaftesbury Hall, were reported to be progressing favorably. The secretary was instructed to write to the Minister of Education urging that the compulsory education act be put into immediate operation.

No article takes hold of Blood Diseases like Northrop & Lyman's Vegetable Discovery. It works like magic. Miss C.—, Toronto, writes: I have to thank you for what Northrop & Lyman's Vegetable Discovery has done for me. I had a sore on my knee as large as the palm of my hand, and could get nothing to do any good until I used the Discovery. Four bottles completely cured it.

Furniture Man Fails. At a meeting yesterday of creditors of W. R. Hancock of Jarvis-street, furniture dealer, who Hancock of Jarvis-Street, furniture design, who lately assigned to Hay of Woodstock, the assignment was transferred to Campbell & May, 50 Front-street east, and the estate will now be wound up quickly, as they intend having an immense sale of stoves and furniture amounting to some \$2500 in detail at C. M. Henderson's next Saturday at 11 o'clock. See advertisement in Saturday morning's World.

What the Country Has Escaped. No one need fear choiers or any summer complaint, if they have a bottle of Dr. J. D. Kellogg's Dysentery Cordial ready for use. It corrects all looseness of the bowels promptly and causes a healthy and natural action. This is a medicine adapted for the young and old, rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc., in the market.

Rigors of Exposure.

Those most exposed to the rigor of a CanaSAFE DEPOSIT TRUSTS CO. dian wister suffer most with what cannot be well avoided, but can be certainly and promptly cured by St. Jacobs Oil, and that is frost bites. If neglected, they sometimes cause the loss of a limb, but they can be carried as stated.
