Games at the model school case of the Model School passed off yesterday afternoon most satisfactorily in the presence of a great assemblage of fond parents, pupils past and present, and many interested friends. Never were the events so keenly contested; in fact, so numerous were the entries that several preliminary heats were run on Monday.

The committee of management, to whom much credit is due, was composed of Messrs. T. Kirkland, Ma., hon-president; A. Meintosh, president, R. W. Murray, A. C. Casselman and Sergt, Parr; the judges were Messrs. T. Kirkland, W. Scott and A. McIntosh. Among the onlockers were the Bond. G. W. Ross, Minister of Education, and Mrs. Ross; Deputy Mi Mrs. Ross; Deputy Minister of Educa-tion J. R. Miller; Assist. P.S.I. Chap-man; Major Manley; Mr. Wright, Walker House; Dr. Carlyle and Mr. E. C. Gur-

ney.

The boys' drill was a highly meritori ous performance, to the credit of their instructor, Sergt. Parr. The cool weather caused the postponement of the girls' calisthenic exercises until the giving of the prizes early in June; There will also be two bicycle contests previous 'to this on the Rosedale track. The results of the sports bave elected A. S. May as champion of the school, H. Bayley coming but two points behind. Music was furnished by the Grenadiers Band, directed by Mr. J. Waldron.
