

TO OUR FRIENDS & THE PUBLIC GENERALLY.

CIRCULATE! CIRCULATE!! CIRCULATE!!!

FRIENDS and BRETHREN, we are sorry that our Subscription List has such a meagre appearance this month. We feel somewhat puzzled how to account for it. Has our Friends become "weary in well-doing," or has the **COTTAGER'S FRIEND** lost its interest. We hope not. During four months previous to this, we have been encouraged to work on, receiving, on an average, one hundred and twenty-five subscribers, from far and near. During the past month we have received only thirty-eight. Something must be wrong. If the fault is ours, let us know, and we will try and remedy it. We do not feel inclined to weary our friends with a long speech on the subject—all we have to say is this, if the *Cotter's Friend* is worthy of a place in the family circle, let us have your patronage, and we trust that the coming months will far out-do the past. "Put your shoulder to the wheel," and let your motto be—**ONWARD!—ONWARD!!—ONWARD!!!**

List of Letters and Subscriptions received for the "Cotter's Friend," from the 20th of May, to the 20th of June.
