ful personal attention to the interests of our friends,

will be given. 1-ly

CAMERON & ROSS,

COMMISSION MERCHANTS,

443 Commissioners Street, Montreal, are regu-
larly receiving and selling, on Commission, all kinds
of Country Produce. In Grain there has not been
much done during the week. In Flour some excite-
ment prevailed towards the close of the week, and it
is said prices have somewhat advanced, this can only
be temporary, and last but a short time. We would
advise country dealers not to base their calculations
on the present advance when making their purchases,
as no other market we know of at present could war-
rant the prices that have been paid here, or, at least,
said to have been paid. We look on the market as
being in a very unhealthy condition, and rather ex-
cited by speculation in the face of considerable losses.
It is to be regretted that so much of the Wall Street
principle should be getting into our chief mart.

BUTTER.—Arrivals during the week have been fair;
supply and demand about equal. Choice Dairy in
lots readily taken at 17c. per lb.; good Store packed
16c. per lb. The foregoing are the prices realised by
ourselves for lots during the week. We heard of sales
being made at 15c and 15½c. per lb. for shipping lots.
Our private advices by last mail, both from England
and Scotland, are more encouraging than those hith-
erto received. Sales of Canada Butter were made from
85 to 97 shillings per cwt. We notice a large quantity
of what is coming forward, not put up with the same
care as we have seen in former seasons. We find in
most all cases that fully 25 per cent. more salt is
used in packing than is necessary for the proper
curing of the Butter. Dealers cannot be too particular
in preparing for market, as there is no other com-
modity of which the price is more governed by the
quality than that of Butter.

Pot and Pearl Ashes regularly received. For prices
we refer you to those contained in the review.

Advances made on consignment. All consignments
receive personal attention, and proceeds promptly ac-
counted for.

N.B.—Particular attention given to the selection of
Dry Goods, Groceries and Hardware.
