

Dr. M. Souvielle's Spirometer Given Free.
 Encouraged by the fact that during the past five years, thousands of patients who have used my Spirometer have been cured of Asthma, Bronchitis, Catarrh, Catarrhal Deafness, Consumption or Weak Lungs, and finding that many who could not be cured are financially unable to procure the instrument. I will give the Spirometer Free to any one suffering from any of the above ailments who will call at 173 Church street, Toronto, and consult the Surgeons of the International Throat and Lung Institute, the medicines alone to be paid for.
 If unable to call, write for particulars and 'treatment' which can be sent by express to any address. Dr M Souvielle, ex-aide Surgeon, French Army.

Scientific and Useful.

To brighten the carpet, dampen a sponge in water having a few drops of ammonia in solution, and wipe off the dust.
 A bag of charcoal suspended in a cistern will purify the water, and meat wrapped in a cloth and packed in charcoal will keep fresh for weeks.
 If a bedstead creaks at each movement of the sleeper, remove the slats and wrap the end of each in old newspaper. This will prove a complete silencer.
 Lydia E. Pinkham's Vegetable Compound is a most valuable medicine for ladies of all ages who may be afflicted with any form of disease peculiar to the sex. Her Remedies are not only put up in liquid form but in Pills and Lozenges in which form they are securely sent through the mails.
 BEFORE beginning to iron, sprinkle the table plentifully with water and lay on the ironing blanket. This will hold it firmly in place and prevent all wrinkling and shoving about. Never try to iron with a blanket having wrinkles or bunches.
 To restore rubber tops for fruit cans, let them lie in water in which you have put one part ammonia to two parts water. Sometimes they do not need to lie in this more than five minutes; but frequently a half hour is needed to restore their elasticity.
 DESSERT IN A HURRY.—A quickly made dessert is this: Make a batter as if for common griddle cakes, then add an egg, and some fruit, say stewed or canned berries, drain the juice from them, and stir them into the batter; fry in a little lard, and serve with pudding sauce.
 For Coughs and Colds, use Allen's Lung Balm. Relief is warranted or money refunded. See adv.
 SUCCESS in raising house-plants may be forwarded by using soil, two-thirds of which is garden-soil, and the rest sand. It should be kept light and loose about the roots, and the plants watered only as they appear to need it. When any of the leaves wither and fall, instead of throwing them away make little rolls of them and tuck them down in the earth, where they decay. This is the best fertilizer.
 A Household Perfume. Every family able to appreciate and enjoy the pleasure afforded by a really beautiful and delicious perfume, should supply themselves with the genuine MURRAY & MANLY'S FLORENZA WATER. It is the most delightful and most lasting of all fragrant Waters.
 A TOWEL folded several times and dipped in hot water and quickly wrung, and then applied over the seat of the pain in toothache or neuralgia, will generally afford prompt relief. Headaches almost always yield to the simultaneous application of hot water to the feet and back of the neck.
 THE EFFECTS OF WHISKEY.—The effects of whiskey are always evil, and those who feed upon alcoholic stimulants vainly endeavouring to cure coughs and consumption, but nurse a viper. Haggard's Peppermint Balsam is a remedy that is always reliable for all throat, bronchial and lung troubles, and never does harm to any one.
 It is stated that sackcloth, or canvas, can be made as impervious to moisture as leather, by steeping it in a decoction of one pound of oak bark with fourteen pounds of boiling water, this quantity being sufficient for eight yards of stuff. The cloth has to soak twenty-four hours, when it is taken out, passed through running water, and hung up to dry.
 MR. WM ROYD HILL, Cobourg, writes "Having used Dr Thomas' Electric Oil for some years, I have much pleasure in testifying to its efficacy in relieving pains in the back and shoulders. I have also used it in cases of cramp in children, and have found it to be all that you claim it to be."
 It is not a good plan to have the white lawn and cambric dresses "done up," as the phrase is, to lay away for the winter, for the expectation that they will look fresh and be ready for immediate wear in the spring will be disappointed. Of course they should not be put away dirty, but the starching and ironing may well be left till spring; only common calicoes should be starched and ironed before packing away.
 FRAUDULENT TRANSACTIONS.—There are many frauds perpetrated by medicine, and many advertised remedies worse than useless. Not so with Haggard's Yellow Oil. It remains as ever the best internal and external medicine for all pain, stiffness and injuries with which human flesh is afflicted.
 The superiority of Mother Gray's Worm Expurgator is shown by its good effects on the children.

No. 1. Vital Questions 11
 Ask the most eminent physician Of any school, what is the best thing in the world for quieting and allaying all irritation of the nerves and curing all forms of nervous complaints, giving natural childlike refreshing sleep always?
 And they will tell you unhesitatingly "Some form of hops!"
 CHAPTER II
 Ask any or all of the most eminent physicians:
 "What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs: such as Bright's disease, diabetes, retention or inability to retain urine, and all the diseases and ailments peculiar to women?"
 "And they will tell you explicitly and emphatically 'Buchu.'"
 Ask the same physicians
 "What is the most reliable and surest cure for all liver diseases or dyspepsia, constipation, indigestion, biliousness, malarial fever, ague, etc?" and they will tell you:
 Mandrake! or Dandelion!
 Hence, when these remedies are combined with others equally valuable
 And compounded into Hop Bitters, such a wonderful and mysterious curative power is developed which is so varied in its operations that no disease or ill health can possibly exist or resist its power, and yet it is
 Harmless for the most frail woman, weakest invalid or smallest child to use.
 CHAPTER II.
 "Patients Almost dead or nearly dying"
 For years, and given up by physicians of Bright's and other kidney diseases, liver complaints, severe coughs called consumption, have been cured.
 Women gone nearly crazy!
 From agony of neuralgia, nervousness, wakefulness and various diseases peculiar to women.
 People drawn out of shape from excruciating pangs of Rheumatism.
 Inflammatory and chronic, or suffering from scrofula!
 Erysipelas!
 Salt rheum, blood poisoning, dyspepsia indigestion, and in fact almost all diseases frail
 Nature is heir to
 Have been cured by Hop Bitters, proof of which can be found in every neighbourhood in the known world.

BEFORE using new earthenware, place in a boiler with cold water, and heat gradually till it boils; then let it remain until the water is cold. It will not be liable to crack if treated in this manner.
 JABESH SNOW, Gunning Cove, N.S., writes: "I was completely prostrated with the asthma, but hearing of Dr. Thomas' Electric Oil, I procured a bottle, and it done me so much good that I got another, and before I was used I was well. My asthma was cured of a bad cold by the use of half a bottle. It goes like wild-fire, and makes cures wherever it is used."
 If you are obliged to have your hands in water a good deal, and they feel uncomfortable after it, rub them all over with oil. A very little salad oil, or even a little lard with a drop of perfume in it, will relieve your discomfort.
 ALEXIS CYR, of Grant Isle, Arrostook Co., Maine, writes: "Having used Northrop & Lyman's valuable Emulsion of Cod Liver Oil with Hypophosphites of Blue and Soda and derived great benefit from it, I take the liberty of asking you for quotations, and also whether you would be willing to give me the agency for this place, as I am confident there would be a large sale for it in this vicinity when its merits were made known."
 THE Chicago Druggist recommends the following remedy for severe scalds and burns: Cover the injured parts freely with soft soap. If the burn be severe, apply soon after linseed oil, with a plentiful dressing of flour. This cakes, and fresh oil and flour can be added. When this covering falls off a new skin will have formed and no scar left. The same journal says carrou oil is one of the best remedies where the skin is unbroken, care, of course, being taken to exclude the air from the injured part.
 LEADING druggists on this continent testify to the large and constantly increasing sales of Northrop & Lyman's Vegetable Dis-covers and Dyspeptic Cure, and report its beneficial effects upon their customers troubled with Liver Complaint, Constipation, Dyspepsia, Impurity of the Blood, and other physical infirmities, and as a female medicine, it has accomplished remarkable cures.
